****The reason specific name brands have been asked for is that by experience we have learned these items will usually last the whole year and will not have to be replaced as often.**

*We strongly encourage you to watch the ads for sales during the months of July and August. Many of these items will be on sale. You might also consider buying a few extra items while they are on sale to be sent in mid-year if your child's supplies need to be refreshed. **Tax Free weekend will start July 28th. It is a good idea to stock up at this time on items that might need to be replaced mid-year (crayons, glue, etc.).***

If you cannot find some of the above items, we will work with you to make sure your student has what he or she needs to be successful in the classroom.
