Dear Parents and/or Guardians:

Your student is enrolled in the Driver's Education class provided by the school during this school year. The fee for this particular class is \$150. Due to the costs of the driver's education car, car upkeep, and insurance, we must make an attempt to collect these fees.

If you are able to pay the \$150 fee, please submit a check to the principal. If, however, you are unable to pay this fee, please sign the statement below and return this letter to the school.

Thank you for your kind attention to this matter.

Sincerely,

Principal of Central High School

Choose one:

I am submitting payment for the \$150 driver's education class.

I am unable to pay the \$150 fee for driver's education at this time.
