## Fall Has Come to FCE!

### Oct/Nov EVENTS

Our KCS Coupon Book Sale ends on 10/22/ 20. Thank you for your support in raising funds for technology, classroom supplies and playground equipment and repair that will benefit all Pepcats. We are thankful for YOU! Our school goal is to sell 1250 books, and we hope to meet or exceed this goal and enjoy a “no work fun day” on October 30!

FCE has used Title 1 funds to purchase an iReady Math computer learning software license. This is an engaging and interactive math program that helps fill student learning gaps in math with online and in-person resources. We are fortunate to have this funding available to help all our Pepcats grow and learn!

**Do we have your current email address? Please let us know THIS WEEK if you have an update for us. We want to make sure everyone is getting the district’s emails about the second-semester virtual or in-person learning options scheduled for later this month – don’t be left out of the loop!**

## Virtual Attendance Reminder

Parents and guardians have the legal responsibility to ensure that their students are fully participating in virtual school by monitoring their progress and time spent on daily course work. When a student is unable to participate in daily instruction, parent notes/doctor notes should be submitted. All virtual students are held to the same attendance policies/guidelines as students who are in traditional schools.

See Knox County Board of Education Attendance Policy (J-120) regarding absence documentation. All Virtual Learning students will follow the BOE approved school calendar and attend the same number of days as students in their base school.
