

Apprenticeship Opportunity *Available!*

Are any of your senior class students interested in or have the aptitude for Mechanical or Electrical Industrial Maintenance work?

BHS Corrugated North America is offering a **2-year, paid apprenticeship** opportunity in **Knoxville, TN** beginning **August 2020**. Selected candidates will enroll at **Pellissippi State** in the **Maintenance** program. Upon successful completion of the program, they will be offered a full-time position as a Field Service Technician.

We would like to welcome guidance counselors and teachers for a tour and informational session about our program.

What: Informational session and tour of BHS Corrugated's facility in Knoxville

When: By appointment – please use the contact information below

Where: 2431 Bertelkamp Lane, Knoxville, TN 37932

For information, questions, and to schedule an appointment, please contact Kimberly Henderlight in Human Resources:
