

Pellissippi State Community College Dual Enrollment

DUAL ENROLLMENT (DE) – Junior or Senior High school students enroll in one or more college courses while in HS to get a head start on earning college credits.

COST OF DE COURSES – A state grant that covers the tuition for two DE courses, but students are still responsible for purchasing or renting their textbook or other required course materials. You can use the grant for up to 2 courses per semester. Grant money for additional courses is available but may not cover all of the tuition.
