What all 10th graders will take next year:

- ❖ English 2
- ❖ Math* (Geometry or Algebra II)
- ❖ Science (Chemistry or Honors Chemistry)
- ❖ Social Studies (US Government)
- ❖ Lifetime Wellness (if not taken this year)
- ❖ Electives

**or repeat Algebra 1A/B if failed this year!!*

Think carefully about your electives!

- ❖ Do I want to start my world language this year or next?
- ❖ Have I earned my Physical Activity and/or Fine Arts credits yet?
- ❖ What will I choose as my elective focus?

What is an Elective Focus?

- ❖ A grouping of 3 courses from the same “*elective area.*”
- ❖ These are very specific!
- ❖ Make sure you are choosing wisely!
- ❖ As important as your core classes for graduation.

READY GRADUATE

To be considered an “READY GRADUATE” by the state of TN, a student must complete one of the following by graduation:

1. Score a 21 or higher composite on the ACT
2. Complete four Early Post-Secondary Opportunities (EPSOs)
3. Complete two EPSOs + earn an industry certification (in an approved CTE program of study, EPSOs may be general education and/or included in a CTE program of study).
4. Complete two EPSOs + score 31 or above on the Armed Services Vocational Aptitude Battery (ASVAB).

Get honored at your senior celebration by becoming a Ready Graduate!

HOW DO I EARN AN EPSO AT GIBBS?

- **Industry Certifications**
 - Industry Certifications are earned by taking and passing a National Industry Certification test through many of our CTE courses. Some Industry Certifications are worth more than 1 EPSO.
- **Advanced Placement (AP) classes**
 - Advanced Placement courses are rigorous, college-level classes taught by Gibbs teachers. To receive EPSO credit for an AP course, you must take the AP exam. It is also needed to potentially earn college credit for the course.
- **Dual Enrollment**
 - Dual Enrollment allows high school students to enroll in college courses for credit prior to high school graduation.
- **Statewide Dual Credit**
 - Dual Credit courses are the opportunity for high school students to take college credit-bearing courses. You must take the State exam to earn an EPSO and you must pass the exam to earn college credit.

Rising 11th Grade Course Registration 2020-2021 School Year

Name _____

*English, Math, Science, and Social Studies course selections were based on student's current academic progress, grades, test scores, and teacher recommendations. Teacher recommendations are subject to change based on progress in second semester classes. Recommendations can be viewed in Aspen and will be discussed at your individual meeting with your Counselor.

If you plan on playing sports in college, make sure to let your Counselor know. NCAA does not recognize some courses, and it is your responsibility to let your Counselor know if you intend on being NCAA eligible.

Subject Area	Your Class	
Elective Focus Area Title (See back)		Write the title of the Elective Focus Area you have chosen. Remember, you must complete 3 courses in the same area by the time you graduate.
1. Elective Focus Course (see back)		You must complete 3 courses in the same elective focus area. IF the courses are numbered, they must be taken in order, so take the next course in the sequence of your chosen elective focus.
2. 3 rd Science or Elective		Biology, Chemistry, and another science (including middle school credit) are required for graduation. If a science is not recommended for you and you have not already completed the above requirements, choose a science (options on back). If you have completed those requirements, choose an elective.
3. World Language or Elective (see back)		World Language (French, Latin, or Spanish) is required if you haven't completed one yet. Choose an elective if you have met your World Language requirement.
4. World Language or		2 nd Level of your chosen World Language required or choose an elective if you've already completed the World Language

- Select the remaining courses to fill in the 9 course offerings
- Make sure you have fully completed your elective selections (including alternates) in order to secure the individual meeting with you counselor

Completing the Registration Form

- **STEP 2:** Use the registration form as a guide to help choose your selections online on or before **February 2nd @ 11:59pm** in Family Portal.
- **NOTE:** No selections submitted means courses will be chosen for you.
- **Step 3:** Discuss your requests with your parents.

Entering Requests Online

Online Registration Instructions and Tips

From **January 21-February 2, 2020**, you will be able to view and enter your requests for next year's courses in the Aspen Student Portal. During this date range, you can enter and make changes at any time.

In order to enter course requests online during the window, students will need their Aspen student login information. If you have misplaced your Aspen student login information, please retrieve this information from Mrs. Calloway in the library/media center prior to the online registration dates.

You will have an individual meeting with your Counselor to discuss your course selections. If you have questions about registering online, please wait to ask at your individual meeting with your Counselor.

To enter your requests:

1. Log on to the Student view,
2. Click the **My Info** tab.
3. Click the **Requests** side-tab.

The Requests page appears:

The screenshot shows the 'Requests' page in the Aspen Student Portal. At the top, there is a green navigation bar with tabs for 'Home', 'My Info', 'Requests', 'Calendar', and 'Course'. Below this, the 'Requests' page is displayed. On the left side, there is a sidebar with navigation options: 'My Details', 'Requests', 'My Info', and a search bar. The main content area is titled 'Instructions' and contains the following text: 'All students are required to register for 3 classes and 4 alternates. Online Registration closes February 17, 2020 at 1:30 pm. Requests for courses recommended by your teachers will appear automatically when you first view the Requests page. The Course Change Request application is available on the Student Learning website. For more requests, contact your counselor for advice and assistance. Please contact your counselor with any questions. Please contact your counselor with any questions. Please contact your counselor with any questions.' Below the instructions, there is a section for 'Requests' with a table of course requests.

4. At the top of the page, in the **Instructions** box, read and follow the instructions for entering your requests. *Note: If any of your courses are required or recommended by your teachers, they might automatically appear as requests when you first view the Requests page.*

5. In the **Primary requests** box, select your requests for the different subject areas. For example, to select your math course, click Select next to Math. The courses you can request will appear.

Use the following tips when selecting a course to request:

Completing the Registration Form

- **STEP 4:** Use the registration form to help choose your selections online on or before **February 2nd @ 11:59pm** in Family Portal.
- **NOTE:** No selections submitted means courses will be chosen for you.
- **Step 5:** Discuss your requests with your parents.
- **Step6:** Click **POST**

Entering Requests Online

Note: Once your Counselor approves your requests, you can no longer make changes to your course selections.

But I have questions about my schedule for next year...

You will have an opportunity to speak with your counselor in an individual meeting between **February 4th and February 21st**, during your class's scheduled appointment.

Jot down any questions you may have to bring with you to the meeting.

Don't panic if you have trouble with the online registration process! We will review your selections in our meeting!

Don't call us...we'll call you!
