

February

IT'S THE MONTH OF LOVE!

In our last couple of newsletters, we have talked about Gratitude. Now, we are shifting our focus to the topic that is often discussed during the month of February. That topic is Love! Dr. Martin Luther King, Jr. said, "Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that." As we move forward in this new year, let's allow love to take it's place in our lives. Love can push out fear, doubt, insecurities and much more. Love should be the force behind everything you do. Each day when you have the privilege to look at your child's face, it should be a reminder of the love that is around you. Love is such a small word, but it makes a huge impact when we use it and say it to the ones we love. Practice makes perfect! (And please don't forget to love the person in the mirror! Smile!)

-Ms. Tiffany Watkins, Principal

Add a little pizzazz by using glitter to make Tooth Fairy dust on dollar bills. You could even outline it into a heart or even a tooth! Your kids will find it mystical and amazing!
