

# MARCH

## TIME FLIES OR DOES IT?

Well it looks like March has marched its way right to our school's front doors! It's amazing how time flies when you're having fun! At least that's how I hope everyone sees it. Maybe time flies because we are rushing past five days to enjoy only two days (the weekend). Life isn't about getting by, it's about savoring each moment you have with your loved ones. It's about enjoying your own personal growth. Life is about who you help along the way. It's about the ups and downs and the ins and the outs. Life is all that and so much more. Each day our children come to us with new questions, new observations, and new sayings. If we're not careful, we'll miss these most precious moments by moving at a fast pace. That's why we are promoting this fun Reading Challenge for our students. It gives you a chance to slow down, get lost in a book with your precious child and capitalize on this special time together. Don't let it pass you by!

## COOL PARENTING HACKS

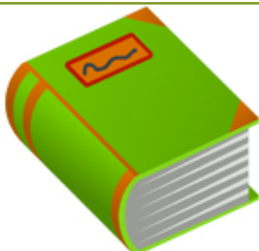

Save tissue! Save some money! Put a sign below the toilet paper so your child will know how much to tear off.

## QUOTE OF THE MONTH:

"Hating people because of their color is wrong. And it doesn't matter which color does the hating. It's just plain wrong."
