WE'RE IN THE HOME STRETCH!

Well, we're in the last stretch of the 2018-2019 school year! This has been an amazing year filled with lots of love, laughter and even a few tears. We are so proud of the progress our students have made during this year. We want to thank you, our parents, for allowing your child(ren) to be a part of the Fair Garden family. We also want to thank our amazing teachers at Fair Garden. They bring their love, expertise, and creativity to life each day in the classroom. Without their love and dedication, Fair Garden wouldn't be the incredible school it is today. We have a waiting list for enrollment each year because of the wonderful things happening at Fair Garden. Our staff believes in early education for all children and we want it to continue growing in Knox County Schools. We understand the long term positive effects early learning has on our community and we want Fair Garden to lead the way!
