SCHOOL CAUTION LIGHTS...YES!!

We have been petitioning for quite some time for school caution lights in our school zone. With many calls from our parents, community and staff our hard work has paid off! A huge thank you goes to our newly elected City Councilwoman Gwen McKenzie and the City of Knoxville for making it all happen. We will continue to push safety for our students, parents and staff. Thank you for being advocates for our school! Our next task is getting a new playground for our students. We know with enough support, we can make this happen, too!
