Welcome to a New School Year

We are excited that you are a part of our Fair Garden Family this year. We look forward to working alongside you as we build our school Family. You are a part of our school family along with our students, teachers, administration and office staff. With a heavy emphasis on safety, our School Family will help reinforce Safe Actions For Everyone. As adults, it is our responsibilty to be safe keepers for each of our students. We will be **SAFE** with our words and SAFE with our actions. We encourage you to be heavily involved in the educational journey of our students as they develop their social, emotional, and academic skills.

Added Sign-In Entrance

Since there will be no bus transportation this year, we anticipate heavier traffic in the morning, which could prolong morning arrival times. To help alleviate the possible delays, doors will be opened each day at 7:10 a.m. We also added another morning entrance at the former bus area entry in addition to the two original front entries. There will be a sign-in table upon entry at the 3rd door. This door will remain open from 7:10-7:45 a.m. daily. After 7:45 a.m., you must enter at the front entrance. ©

Fair Garden Reminders

- 1. Home and School Folders. Your child's Home and School folder will come home each day as long <u>as</u> your child has a backpack. This is our daily communication to and from school. Please take a few minutes to read through the materials everyday. If you have information to send to your child's teacher, please use the folder.
- 2. Extra Clothes. Please make sure your child has extra clothes at school. (ex. underclothes, pants, shirt and socks.) Though we know they are potty trained, we realize that accidents may happen and it's always best to be prepared. This helps prevent us from calling you when your child needs a change of clothes.
- **3. Breakfast.** Our students eat breakfast in the classroom each morning around 7:35 a.m. If you like for your child to have plenty of time to eat breakfast, please make sure he/she is at school by that time or earlier each morning. Breakfast is over at 8:00 a.m. If you arrive to school after 8:00 a.m., make sure your child has eaten breakfast or you must eat breakfast with him/her in the cafeteria before he/she goes to class.
