We're off to an Awesome Start!

We started the year off in an amazing way! It was great seeing all of you during our Parent Orientation Nights. Our teachers were thrilled to talk with you and share our school and classroom expectations for the 2015-2016 school year. Our classroom teachers are college graduate and certified to teach PreK. They come with a wealth of knowledge to provide your child with a quality education each day. We are so glad we had a chance to share important information with you during those nights. Again, a big thank you to Mr. Reggie Jenkins for being an awesome facilitator during our Parent Orientation Nights!

Thank you for making sure you have multiple names and numbers of those with permission to pick up your child(ren) during dismissal and thank you for having your ID ready at that time. It helps the process run smoothly! Also, our attendance has amazingly increased this year. Thank you parents for all you do at Fair Garden!

Again, we appreciate you and value you as our teaching partners in your
