

Health Science Academy

Endorsement Requirements
(Through the Class of 2022)

In addition to meeting grade level Knox County graduation requirements, Academy Endorsement Requirements include:

- 1. 30 Credits (4 of which support a progression towards area of endorsement, see below)**
- 2. Minimum 3.0 GPA, minimum one course must be honors/AP/Dual Enrollment**
- 3. Documentation of community service or service learning**
- 4. 'C' or better in Honors Academic Research, AP Capstone Program, or CTE Level 3 or 4 course including a practicum**
- 5. Speech is strongly suggested and could count as one of the four courses for endorsement**
- 6. Job shadow or internship (in person or virtual) that should include one or more of the following documentations as applicable:**
 - a Journals**
 - b Reflective Paper**
 - c Mentor Evaluation**
 - d Transcripts of interviews with companies if in-person opportunities are prohibited**
- 7. Creation of a digital portfolio to highlight all areas of the endorsement experience**
- 8. Formal presentations of the digital portfolio as required by the academy dean. These may be in-person or virtual based on community conditions.**

Please see the back of this sheet for the individual endorsement areas in the HS academy.
