WE'RE BAAAAAAACK!

Written by Ms. Bond

Welcome back BMA readers! Did you miss us? We missed you and are so excited to deliver this first issue of The Beaumont Buzz for the year to you. Our new 4th grade newspaper team has been working hard to get this issue out before November. I would like to introduce you to this fabulous team pictured below. One thing I've always loved about Beaumont is the creativity that flows out of its students, staff, and classrooms. I also love that being creative doesn't have to mean that you're really good at drawing, singing, or dancing! To quote our

beloved theater teacher, Ms. Taylor, "Art is about storytelling - whether you're painting, dancing, acting, playing music, organizing backstage, managing lights and sound - it all tells a story!"

We hope you enjoy the stories from this year's issues of The Beaumont Buzz and wish everyone a year of growth, fun, and creativity. There's no place like BMA!

GIRLS ON THE RUN

BMA GIRLS LEARNING LIFE LESSONS ON THE TRACK

Written by: Aoife Ullman and Dinah Martin

BMA’s Girls on the Run team has been crushing some miles, learning self-love, and learning how to be part of a team. The team members have been doing some exercises to gain strength both mentally and physically. Some of the exercises they have been doing include high knees, squat jumps, and jumping jacks, and journaling. All the goals this season have been leading up to a 5k at Victor Ashe Park. The 5k will be on November 23, 2024. They will run with all the other GOTR students in the area. There will be around 400 runners. Please make plans to join us on Saturday, November 23, 2024 (at Victor Ashe Park). They will have a pre-party that begins at 7:30 am. The 5k will start at 9:00 am. It is going to be so much fun!

5TH GRADE COMPETES IN ROCK, PAPER, SCISSORS TOURNAMENT

By: Sanaa Guthrie, Erykah Drake, and Ms. Bond

5th grade teachers organized a rock, paper, scissors tournament at the beginning of the year. Students had a lot of fun competing to be the last person standing. In the end, Santos Caceres Bonilla was the last person standing and this year’s 5th grade champion. We looked into the history of rock, paper, scissors and found some interesting facts.

- 35% of people playing choose rock when playing rock, paper, scissors.
- The game Rock, Paper, Scissors originated 2,000 years ago in China, where it was called Shoushiling.
- It's considered the oldest hand game in the world.

BEAUMONT STUDENT SPOTLIGHTS

BMA STUDENTS PARTICIPATING IN THE ARTS & SPORTS OUTSIDE OF SCHOOL

Two of our very own Beaumont Bears were in a play together outside of BMA! Golden Littlejohn and Nora Halliburton performed in Cinderella at the Knoxville Children's Theatre. Cinderella is about a young woman who is treated cruelly by her stepmother and stepsisters and then is rewarded for her kindness and marries the prince. The cast rehearsed from May 13 - July 11. They had 16 performances from July 12 - Aug. 28th. We are sure it was a standing ovation performance from these two talented bears!
