

Menu of Library Services & Resources

Plan collaborative lessons that can be taught in the library or your classroom.

Library lessons to reinforce what your are doing in the classroom.

Provide reader advisory to students and staff.

Schedule additional times for your class to check out books.

Help select books for teachers to use in classrooms for read alouds, small groups, novel studies, multiple books to reinforce topics for independent reading centers.

Create and support reading incentives, projects, and challenges.

Teach digital and information literacy skills.

Teach inquiry and research skills:

- develop research questions
- model how to find and evaluate information
- note-taking skills
- importance of citations
- explain plagiarism

Help teachers use digital data bases and resources in lessons.

Teach informational text features and resources.

Maintain and build a library collection of books and materials aligned to school curriculum standards. I love to purchase book requests!

Let's collaborate!

Grab me in the hall, stop by the library or send an email: molly.moore@knoxschools.org
