One School One Book - Read to Them

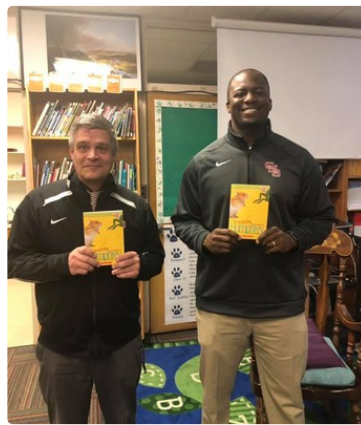

We have loved reading [Friendship According to Humphrey!](#) Each day we have a trivia question about the reading and the winning class gets to host Humphrey our hamster for the day! This has been a wonderful way to connect our entire school with this one book. We hope you are enjoying the book at home as well.

We have had a different reader come in and read a chapter to a classroom. We record the reader and then send it out to the entire school. Our students love listening to different people read. We will have our culminating activity at our Inskip Stemosium on Thursday, March 28th, also known as our Inskip Showcase! This will take place from 6-8 p.m.

Dr. Seuss Birthday

We celebrated not only Dr. Seuss on Friday, March 1st but it was also Dress as Your Favorite Fictional Book Character Day!!

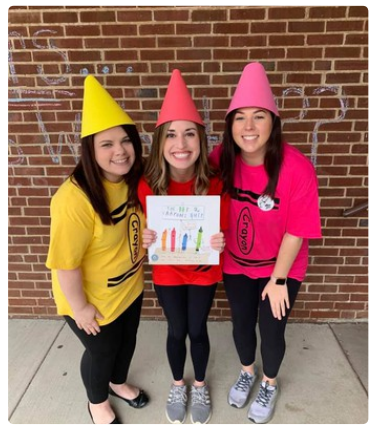

One School One Book Celebrity Reader!

We've had many celebrity readers this month! Coach Rosser from CHS football and Mr. Lambert (Assistant Principal at CHS) stopped by to read Chapter 6 of our book. We LOVE our readers!

Kindness Week

Kindness Week was another HUGE success! Students purchased many candy grams and performed random acts of kindness. Mrs. Cisneros' 4th graders had the most chains of kindness. They earned a special treat for being so kind!

Mayor reads and recognizes our Kindness Ambassadors!

Mayor Jacobs was our celebrity reader for Chapter 4! He also participated in our recognition of our Kindness Ambassadors. Our KAs played an important role in our Kindness Week. They helped sell candy grams and delivered them to classrooms at the end of each day.

Black History Month

February is an important month for remembering people, events and achievements of African Americans. We enjoyed Smokey Mountain Blues Society and a Steel Drum performance! We also challenged each other daily with trivia questions about famous people and their contributions.

This will be led by CHS Student Council and will offer our students the opportunity to learn more about leadership and meet other leaders from Sterchi, Fountain City, Shannondale, and Gresham Middle. We are excited about this event and will also be doing more at Inskip that week on Service Learning.

Habit 6: Synergize

Synergize

Working together is better

- I get along well with other people and work well in groups.
- I value the strengths of others and allow myself to learn from them.
- I know that by working together as a team we can get more done and come up with better solutions than we could alone.
