5 or Less Equals Success!

Each day we update our board to reflect our Attendance and our Tardy numbers. Unless your child is sick, make every effort to get him or her to school on time. It really does make a difference. For your child the goal would be "5 (Absences) or Less Equals Success!" The class in each grade level wins the Attendance Trophy at the end of the week. The class in the entire school with the BEST attendance gets our 6 foot long lion "Ready Freddy" in their class for the week! Freddy is Ready to come to school and is here on time :).

Class Dojo-Please sign up!

Keep up with your child's everyday happenings! Our goal is 100% Parent Sign up!! See your child's teacher if you have not signed up yet. The class with the most parents signed up will earn a popsicle party!!

Box Top Hero

Save those Box Tops and send them in! The class with the most box tops will earn a prize! Box tops money directly supports our students.

CAR RIDER DISMISSAL

Please make sure your Car Rider Number can be seen. This will allow us to call the number in quickly without you having to tell us, especially when it is raining. It makes the process quicker. Remember we have car rider numbers this year to make our car rider pick up safer. Your child can not go home with someone unless that person knows your child's number. You can make a copy of your number tag if you have more than one person picking up. Thank you for your cooperation with this change as student safety is our #1 priority.
