

Behavioral Health Safety Net for Children

Behavioral Health Safety Net for Children (BHSN) provides essential outpatient mental health care services to uninsured Tennessee children, ages 3-17, and helps connect clients to long-term coverage.

AVAILABLE SERVICES*

- Assessment and evaluation
- Individual, group and family therapy
- Case management
- Medication management
- Pharmacy assistance and coordination

**Please note, children that have commercial behavioral health coverage or CoverKids insurance are eligible for BHSN case management and family therapy.*
