

FARRAGUT MIDDLE COUNSELING UPDATE

The Official Newsletter of the FMS School Counseling Department

WELCOME BACK STUDENTS AND FAMILIES!

On behalf of the FMS School Counseling department, we hope everyone had a safe and enjoyable summer break! We have missed seeing our students and are excited for a new school year. We will send out quarterly newsletters throughout the year to communicate with our Farragut Families on specific school counseling related information.

PLEASE COMPLETE OUR PARENT NEEDS

ASSESSMENT: [CLICK HERE](#)

As we return to school after the extended break, we would like to support students during their re-entry to school life. Your input helps us better serve students and make sure we meet their needs as we transition to school year 2020-21. We look forward to supporting your child's academic, career, and social/emotional growth. Counselors will address each of those growth areas in classroom and school-wide activities. In addition, individual and small group counseling will address these areas more specific to the individual needs of students. Thank you for taking the time to complete this survey to best prepare our department to serve you and your students. The counseling department will keep your responses confidential.
