

# PRE-COLLEGE ENGINEERING PROGRAMS

AT THE UNIVERSITY OF TENNESSEE, KNOXVILLE

## eVOL<sup>10</sup>

Engineering VOLunteers for  
Tenth Graders

## HITES<sup>12</sup>

High School Introduction to Engineering  
Systems for Twelfth Graders

The Tickle College of Engineering at the University of Tennessee, Knoxville, will host a pair of summer engineering programs for rising tenth and twelfth grade students during the summer of 2022.

Each program is a one-week residential program for 32 high school students. All students are encouraged to apply.

Our mission is to provide students who show an interest in engineering studies early exposure to and preparation for scientific study and research.

### Why Should I Attend?

- Explore UT's Campus
- Tour engineering labs & facilities
- Compete in engineering challenges
- Cultivate new friendships
- Jump start your academic career

### What Can I Expect?

- Hands-on activities
- An exploration of major & career opportunities
- Engineering competitions that will challenge you to apply what you have learned
