WEST HIGH SCHOOL

International Baccalaureate Programme
2022-2023 Student IB Intent Cover Sheet

Enrollment Forms Due to Student Services Friday, March 4, 2022

We are so excited that you are interested in pursuing the IB curriculum during your high school experience! Intent forms must include all of the following items to be enrolled in an IB course:

For Certificate Courses:

- A completed Personal Data form
- You must have the signature(s) of your current teacher(s) within the subject group of your IB course(s) of interest on the Personal Data Form. For example, for IB English, you must have your sophomore English teacher sign your IB intent form. For an IB Chemistry recommendation, you must speak to either Ms. Bell, Ms. Lapointe or Ms. Armsworth.
- Student and Parent Signature page expressing an understanding and support of their child's IB application

For Diploma Programme:

- A completed Personal Data form
- 5-6 Teacher signatures:
 - a) Current English teacher, current Math teacher, current Social Studies teacher, and current World Language teacher recommending student placement
 - b) Current Science teacher recommending student placement OR Bell/Lapointe/Armsworth for IB Chemistry recommendation
 - c) Current Art, Theatre or Music teacher or one additional class from the above areas
- Minimum 3.00 cumulative GPA in core academic subjects is recommended
- Student and Parent Signature Page expressing an understanding and support of their child's intentions regarding IB coursework.

For Career-Related Programme:

- A completed Personal Data form
- 4 Teacher signatures:
 1. Current CTE pathway teacher recommending student placement
 2. Current world language teacher, must take one additional world language course junior year, does not need to be IB world language
 3. TWO current teachers for TWO IB subjects you plan to take, may take more
 - a. One course must span 2 years
 - i. Engineering pathway: IB Physics and IB Math are recommended
 - ii. Health Science Pathway IB Biology and IB Chemistry are recommended
 - iii. Nutrition and Dietetics Pathway IB Chemistry and IB Biology are recommended
 - iv. Coding Pathway IB Math is recommended, plus one additional IB course
 1. AP computer science is also encouraged, but not necessary
- An A or B in your current CTE pathway course is recommended
- Student and Parent Signature Page expressing an understanding and support of their child's intentions regarding IB coursework.

Additional Application Information: Grades for 9th and 10th grade will be considered.

7. _____ _____ SL HL

8. _____ Theory of Knowledge (Diploma Programme only)

_____ Personal and Professional Skills (Career-Related Programme only)

WEST HIGH SCHOOL

International Baccalaureate Programme
2020-2021 Student IB Intent Cover Sheet

Enrollment Forms Due to Student Services Friday, March 4, 2022

I understand that with my intention to enroll in the IB Diploma Programme, Career-Related Programme, or one or more IB courses, I am agreeing to participate in the most rigorous curriculum available at West High School. Organization, a strong work ethic, and my **desire** to be enrolled in IB courses are critical to my success in the IB program. Most IB courses are two-year courses and I understand that I am expected to take the IB Exam at the end of the second year. The cost of these exams is the responsibility of the parent; however, exam fee assistance is available for students based on need. I am also aware that enrollment in the IB Diploma Programme, Career-Related Programme, or Certificate courses may require completing summer assignments.

I understand that college credit for an IB course is not guaranteed. The awarding of credit criteria including: eligible courses, type of credit awarded, and the minimum IB exam score required are determined by each college/university.

I understand that if I am not recommended for the Diploma Programme or Career-Related Programme, I may be recommended for certificate courses and can still take CTE courses as electives. If any such issues arise concerning my recommendations, I will be contacted by the IB coordinator for the program I am applying to.
