Virtual Enterprise Fundraiser

The Bearden Virtual Enterprise class is raising funds in order to lessen the costs for our students to attend the international trade show in New York City. Parents can participate in two ways: they can assign their Kroger Rewards to our class, which does not take away any of their rewards points, and they can also purchase Belk coupons which allow them to get \$5 off their purchases for the sale day on the 24 of August.

To register with your Kroger rewards, you can follow the following steps:

1. Register online at krogercommunityrewards.com
2. Click on "I'm a customer"
3. If you are new to Kroger rewards, click "Create Account", but if you are an existing member sign in with your email and password.
4. Under the account settings, you can edit your Kroger Community Rewards information and input your Kroger Plus card number.
5. Enter NPO Number 97848 or Bearden High School VE (this links your card to help our class)
