## Bearden Foundation

Dear Bearden High Community:

Please look for the Bearden Foundation newsletter in your mail this week. The newsletter highlights the projects, materials, training, teaching tools and opportunities in and out of the classroom the Foundation was able to fund last school year thanks to your generous support.

We are now asking for your help to continue the Foundation's work in the 2019-2020 school year. With state and county education budgets tight, these fundraising

dollars are as important as ever. Sometimes a basic need goes unmet and sometimes it takes investment to go from good to great.

There is an envelope inside the newsletter you can use to mail your contribution. You can also donate through PayPal using this link: <https://bit.ly/2MfNQ6y>

All donations are tax-deductible and every dollar makes a difference at Bearden High School. Thanks and Go Dawgs!

## **College and Career Center**

The above institutions will be hosting information sessions for students and their families at Webb School of Knoxville, Thursday, August 29, at 7:00 pm.

Each admission officer will share about their institution for 10-15 minutes with time to connect individually with the representatives following the presentations.

**[RSVPs are encouraged](#)** as capacity is reached in some locations.

College & Career Announcements, including visiting schools, scholarship links, and other information, can be found by visiting the BHS website (under the School Counseling Tab, click on College & Career Center, click on left tabs for needed information).
