## PBIS?

A proactive approach to establishing the behavioral supports and social culture needed for all students in a school to achieve social, emotional and academic success.

## How PBIS Works

PBIS sets up three tiers of support for students and staff in a school.

1. Tier 1 is a schoolwide, universal system for everyone in a school. Kids learn basic behavior expectations, like to be respectful and kind. School staff regularly recognize and praise kids for good behavior. They may also use small rewards, like tokens or prizes, to encourage kids.
2. Tier 2 provides an extra layer of support for kids who continue to struggle with behavior. Kids get a set of evidence-based interventions and instruction. For example, some kids may interrupt class because they struggle with social interaction. A Tier 2 strategy might be a “social skills club” to help these kids learn how to get along with peers.
3. Tier 3 is the most intensive level. It’s for kids who need individualized supports and services because of behavior issues.
