

2020-21 SOUTH KNOXVILLE ELEMENTARY SUPPLY LISTS

We know this has been a difficult time for many families. We are reducing supply lists in order to ease some of the pressure that comes with a new school year. All classrooms will be stocked with hand sanitizer and Clorox wipes. In addition to the reduced classroom list items, all students need a **backpack** (without wheels) and a set of **headphones** (in a Ziploc with student's name). If you are able to provide more items for your child's classroom, please contact the classroom teacher, and he or she will direct you with specific classroom needs. Please contact the school if you have any questions.
