

Karns Elementary School: Kicking Off Curriculum

This will be your opportunity to learn more about your child's curriculum expectations, how you can help your child at home, and about the upcoming TNReady assessment.

**Sessions:

All-From Huddle to Touchdown: Strategies for Successful Children.
Intercept the entitlement mindset of "I want it now!" This session will highlight the parenting practices that are the most effective in advancing your child toward a successful future, regardless of his/her current ability. (East Library)

Kindergarten - Kindergarten Kickoff
Reading strategies and websites to help kindergarteners gain their first down (Computer Lab)

1st Grade - Kicking Off with Writing
Join the first grade coaches to help your child tackle writing skills to become the best writer he or she can be. (Computer Lab)

2nd Grade - Sack the Facts
Addition and Subtraction strategies without fumbling the ball (Computer Lab)

3rd and 4th -Into the End Zone
How to use a 4 square graphic organizer as the kick off to scoring high on writing assessments. (Room 307)

5th Grade - Scoring with Math/Kicking Off for Writing
The 5th grade math group will share math websites to help with homework. The writing group will share highlights from Language Arts and Social Studies essays. (Room 304)

* Childcare in the gym (Children K-5th)

**Each Session will be presented twice so parents may attend more than one.

What is

Curriculum?

Curriculum is the knowledge and skills students learn. This includes the learning standards or learning objectives; the units and lessons that teachers teach; the assignments and projects given to students; the books, materials, videos, presentations, and readings used in a course; and the tests, assessments and other methods used to evaluate students' learning.
