## Research Activity

Go to College Board's AP Credit Search site [here](#).

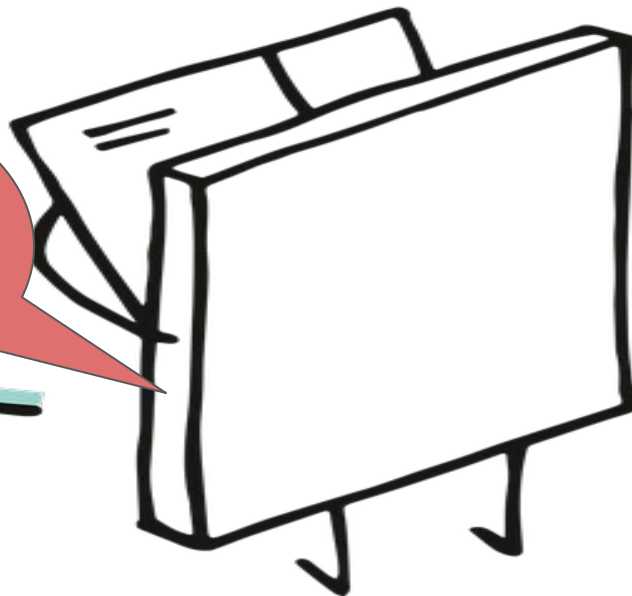

- This site allows you to quickly find AP credit policies for colleges around the US and Canada! Locate the university's credit policy, how much college credit you can earn and what score you need on a specific AP Exam to receive college credit!
- [This file](#) shows all the AP course offerings available at Bearden High School!

What's the  
difference between  
IN and OUT-OF-STATE  
Tuition?

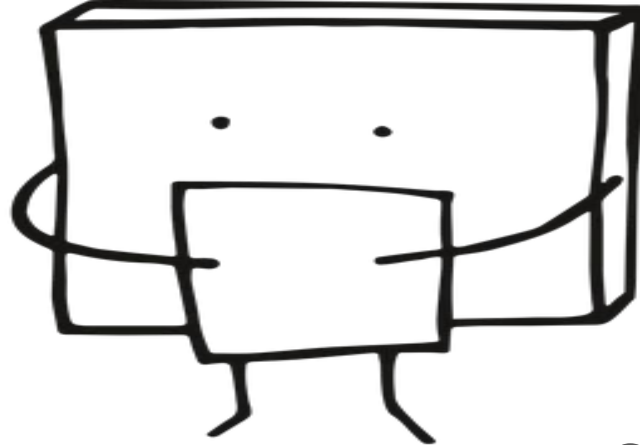

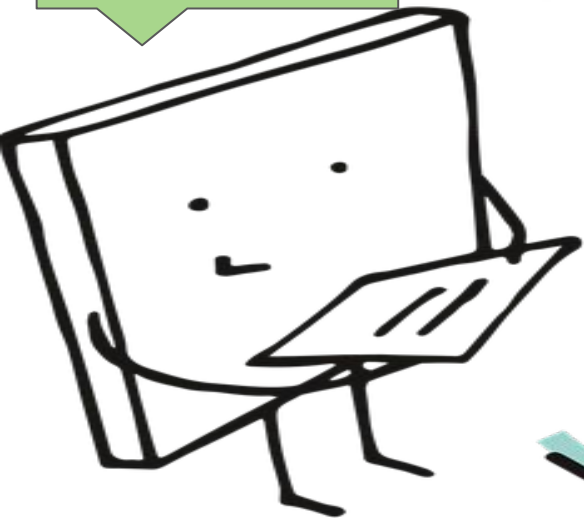

How can taking  
& scoring a 3+  
on AP Exams  
help pay for  
college?

Are you  
potentially  
earning \$\$ right  
now in you APHG  
class?

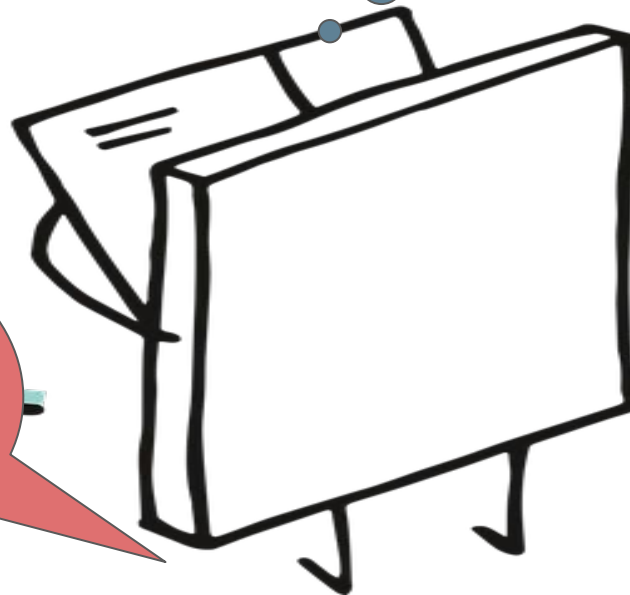

**Think about it...**

What AP courses  
do you want to  
take at  
Bearden?

At MTSU, how  
many credits  
does a 3 on  
the AP  
Chemistry exam  
get you?

?

If you take 5 AP  
Exams and score  
4 or 5, could you  
graduate college  
early?

**Think about it**
