

Rocky Hill Elementary PARENT DIRECTIONS FOR RECEIVING AUTOMATED CALLS

Are you signed up to receive automated calls from Knox County Schools or your school?

If not, then you might be missing important announcements about:

- school cancellations for weather,
- bus change information from the Transportation Department
- the Superintendent’s messages for parents, and
- important events or information concerning your child.

Get signed up so you don’t miss out! Here’s how...

Go to www.knoxschools.org.

Click on **For Families** and follow the directions.

The screenshot shows the Knox County Schools website. The navigation menu includes: Home, About Us, Board of Education, Administration, Academics, Departments, **For Families** (circled in red), For Staff, Community, and Contact Us. A red arrow points to the 'For Families' link with the text: "Click the tab and select 'School Messenger'". Below the navigation is a large banner for "SCHOOLMESSENGER Opt-In Information" featuring a logo and icons for an envelope, a telephone, and a smartphone. At the bottom of the banner, it says: "Parents and employees click here for instructions on how to opt-in to receive automated messages." and includes three small circles for navigation.
