Room: 218

Bridge Math

Austin-East Magnet High School

Fall 2016

Student expectations are as follows:

- To be diligent in participating in all class activities without distracting others from this task.
- To be active learners, willing to learn, and ask questions of the content.
- To spend the time and effort necessary, both inside and outside of class, to successfully complete all assignments, studying, and review.
- To always attend class, take tests, and turn in assignments on time.
- To always do their own work and never present someone else's work as their own.

Course Description: This course is a 4th year senior level math credit course designed for students who need to refresh core mathematics skills prior to further study. Links to Knox County and State of Tennessee Curriculum standards may be found at: <http://knoxschools.org/Page/2942>

Skills Covered:

- Essential Mathematics
- Algebra and Statistics
- Triangles, Quadrilaterals and Other Polygons
- Measurement
- Linear Systems of Equations
- Similar Triangles
- Probability
- Right Triangles and Circles
- Polynomials
- Quadratic Functions
- Advanced Functions
- Trigonometry

Class Expectations:

- Be Ready
- Be Respectful
- Be Responsible
- Be Safe

Required Class Materials: These are the things you will need in class on a daily basis.

- Composition Notebook
- Notebook paper
- Pencils with erasers
- Highlighters
- 12 inch Ruler
- Colored Pencils
- 2 Pocket Folder
- TI-83/84 Plus (recommended, but not required)

Course Fee: Austin-East Magnet High School has a \$10 math fee.

Coursework and Grading: A student's grade is determined by the coursework done in the classroom and the EOC given at the end of the course. Student feedback will be provided on a daily basis. The Knox County Grading Scale will be used for this class. Be sure to check grades regularly in Aspen.

Skills Assessment: Because of the variety of skills covered in this course, a variety of techniques will be used to assess them. A mix of both formative assessments (such as quizzes and other checks for understanding) and summative assessments (such as unit exams and other written products) will be utilized to determine your student's understanding of the content being taught.

Knox County Grading Scale	
Grade	Percentage
A	93 – 100
B	85-92
C	75-84
D	70-74
F	Below 69

Category	Percentage
EOC	25%
Tests	30%
Quizzes	20%
Coursework	15%
Notes	10%
Total	100%

Tardy Policy: Students are expected to be in class, ready to begin on time. Austin-East's tardy policy states that three tardies will result in a disciplinary referral and phone call home.

Attendance: Students are expected to attend class regularly. Mathematics cannot be learned through independent study. If you are not present, you miss out on valuable learning opportunities and end up playing "catch-up". It is very difficult to stay afloat once you have fallen behind. If a student is going to be out for an extended period of time, please let me know in advance so that I may get work together for them.

Makeup/Missing Work: When a student misses class for ANY REASON, make-up work will need to be done. All makeup work is due within one week of the absence. If not turned in by the end of the grading period, it will be a zero.

Intervention Strategy: I am available for tutoring if scheduled in advance. We also have other resources in the school for tutoring, such as TRIO. Please see me or email me in advance if you would like to schedule a time for tutoring or extra help.

Cell Phones And Electronic Devices: Students are permitted to use cell phones and electronic devices during non-instructional times between classes and at lunch. For this reason, a strict "out of sight, out of hearing" policy will be followed. iPad's are for instructional use in the classroom, and we will use a cell phone "parking lot" to limit distractions.

Cheating and Plagiarism: Cheating and plagiarism is unacceptable behavior at AEMHS. Students found guilty of cheating or plagiarism will be given a zero for the assignment and/or be referred to the office for violating student conduct.

Communication with Parents and Students:

- Aspen: This is our electronic grade book. In order to give timely feedback, I will update grades at least once per week. I encourage you to access this regularly.
- Email: The best way to reach me is by email, tammy.worgan@knoxschools.org . I check it several times a day and will respond within 24 hours of receipt.
- Phone: You may also call the school phone 865-594-3792 and leave a message for me.
- Remind: Remind is a texting service I use to remind students/parents of upcoming tests and projects. If you would like to sign up for remind text @e3gb8g to the number 81010.
- Canvas: Daily assignments are posted on canvas as well as video (or power point) tutorials for students to review
