

WELCOME TO BAND!

Greetings Parents and Students!

Welcome! In order to make cool music and have fun, the band needs you! If you don't have experience playing an instrument or reading music, have no fear. Mrs. White will teach you everything you need to know.

Students will spend the first two weeks of school exploring different instruments and learning music fundamentals. Students are encouraged to come up with at least 3 instruments from the list below they are interested in trying. Google "Instrument Demonstration for Beginning Band by The United State Army Field Band" to watch a brief video that demonstrates the majority of the instrument choices. YouTube also has many videos of each instrument.

Flute
Clarinet
Bass Clarinet
Alto Saxophone
Tenor Saxophone
French Horn
Trumpet
Trombone
Euphonium/Baritone
Tuba
Percussion

**Percussion includes ALL of the following: marimba, xylophone, bells, chimes, tom-tom, snare drum, bass drum, timpani, and all auxiliary instruments

After students have tested their instrument choices, Mrs. White will send home a list of items their instrument choice will need. Parents are welcome to rent or purchase an instrument. All of the area music stores will be at the band open house on August 20th from 5:00-6:30pm where parents can compare prices, place orders, and pick up supplies for the year. Parents and students are not required to attend but can drop in at any time during the band open house. Ordering supplies on websites such as Amazon or WoodwindandBrasswind.com can be cheaper. **However, check with Mrs. White to make sure the brand you are interested in is a quality choice that will last and produce the best results for your student.**

The book students will use for class will come with a DVD and CD students can use to practice with at home. To make sure students do not lose their DVD or CD, please keep those items at home. Mrs. White will hand out all of the required concert music and resources for class. A labeled ½ inch three-ring binder is needed to help ensure music is not misplaced or destroyed. Sixth grade students will need their instrument and book by Friday, August 23rd.

Please do not hesitate to ask questions. The easiest and fastest way to communicate is via email to Jessica.white@knoxschools.org.

We are going to have an awesome year!
