Tennessee Parent Occupational Survey

Under Title I, Part C of the Elementary and Secondary Education Act (ESEA) our school district provides supplemental services to the children of agricultural workers who have recently moved. This survey is to help the school identify if your child might qualify for these free supplemental services such as tutoring, school supplies, summer camps in select counties, and other free services. Please answer the following questions and return this form to your child's school. **The information provided below will be kept confidential**.

KNOX COUNTY SCHOOLS Home Language Survey

The Tennessee Department of Education requires *all* schools to identify the language of every student enrolled. This is accomplished by the Home Language Survey (HLS). This document is to be completed only ONE TIME at the student's initial enrollment into a school. If the student is a transfer student, schools must make every attempt to obtain the original HLS.

NOTE to registrar: If any language besides (or in addition to) English is given as an answer to questions 1-3, please give this document to the ELL teacher at your school (or who monitors your school) immediately.

Physical Examinations and Immunizations

PHYSICAL EXAMINATIONS

Students

The principal shall ensure that there is a complete physical examination of each student.

KINDERGARTEN REQUIREMENT

Proof of a physical examination completed by a medical provider and dated within 12 months prior to the first day of school. The form to be completed is the Tennessee School Immunization Certificate which may be obtained from a health care provider or Health Department. A student may be enrolled without this information, but must file it with the school within 30 calendar days or risk dismissal.

FIRST - TWELFTH GRADE REQUIREMENT

Written proof of a medical examination completed by a medical provider. This includes proof brought in person or provided in records from the previous school. A student may be enrolled in school without this information but must file it with the school within 30 calendar days or risk dismissal.

Physical examinations contained in records from students transferring from other school systems may be accepted if stated guidelines are met.

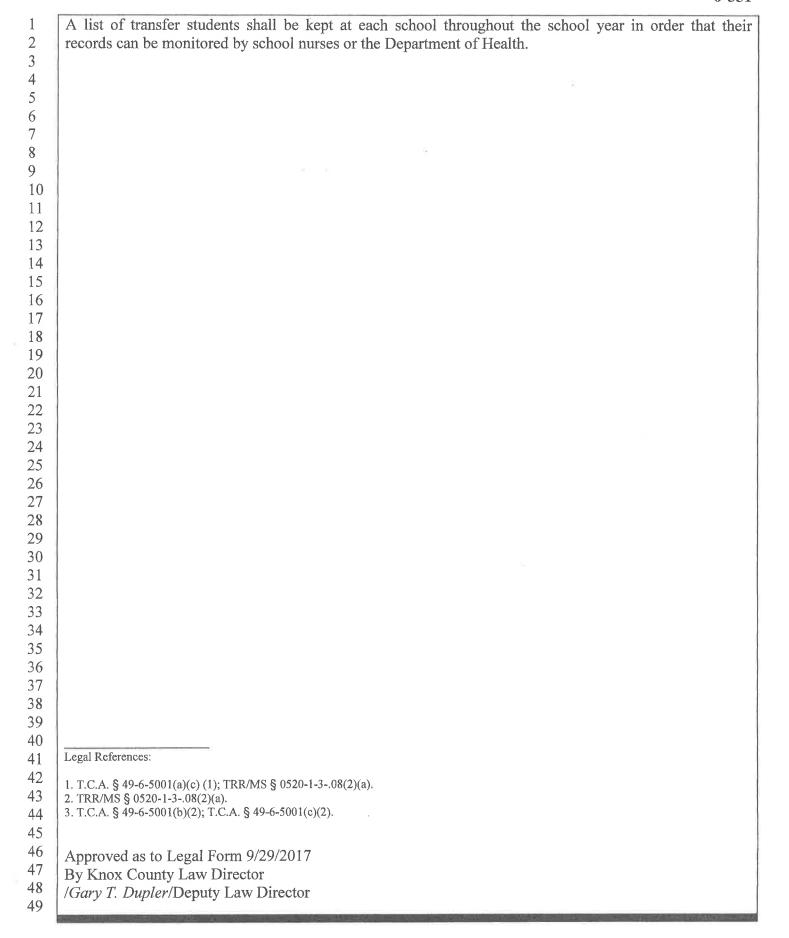

Cost of the examination shall be borne by parent or guardian of the student. All physical and immunization records shall be kept on file in the student's cumulative record.

IMMUNIZATIONS

Students entering school, including those entering pre-school, kindergarten or those students from out-of-state and nonpublic schools, will not be permitted to enroll (or attend) without proof of immunization, as determined by the Commissioner of Public Health. It is the responsibility of the parents or guardians to have their children immunized and to provide such proof to the school which the student is to attend.

Exceptions, in the absence of an epidemic or immediate threat thereof, shall be granted to any child whose parent or guardian shall file with school authorities a signed Refusal Due to Personal Religious Beliefs document; or due to medical reasons if such child has a written statement from a medical provider excusing him/her from such immunizations. Proof of exceptions shall be in writing and filed in the same manner as other immunization records.

An immunization certificate containing documentation of other required health information (physical examination, vision/hearing screening) must be provided in addition to the religious exemption form or the written statement due to medical reasons from a medical provider.
