Section II:

Dear Parent/Guardian,

Please review student recommendations for the upcoming school year very carefully. Core class recommendations were made based on academic data and performance. Please help with elective choices, which should be based on student interests, goals, and ability.

The Counseling Office at South-Doyle High School will be open on Wednesday mornings from 9:00 until 12:00 during the summer months. Any schedule change requests must be made during these times.

Parents who wish to change an academic level must complete an Academic Release Form and have it approved by the Principal. **These forms are available by contacting SDHS @ 577-4475. Note: There will be no schedule changes granted after the start of school except for those students who have been misplaced academically.**
