

Rising 12th Grade Course Request Worksheet

2019-2020 School Year

Student Name _____ Career Interest(s) _____

Contact Email & Phone # _____ Advisory Teacher: _____

*English, Math, Science, and Social Studies course selections were based on student's current academic progress, grades, test scores, and teacher recommendations. Recommendations can be viewed in Aspen and will be discussed at your individual meeting with your Counselor. **Your math course selection could change based on your final math grade & ACT.**

Check this box if you are interested in graduating early.

Check this box if you plan to waive your world language requirement. I understand that, in order to do so, I must complete two elective focus areas. I also am aware that not completing two credits of a world language in the same language could prevent me from being admitted to a four-year college or university.

Check this box if you plan on playing sports in college. I understand that it is my responsibility to register in the NCAA Eligibility Center and request courses that meet eligibility requirements.

Subject Area	Your Class	
Elective Focus Area Title (See handout)		Write the title of the Elective Focus Area you have chosen. The titles are written in bold on the back. Remember, you must complete 3 courses in the same area by the time you graduate.
1. Elective Focus Course (see handout)		You must pass 3 courses in one elective focus area. Take the next class in the sequence if you have not already completed 3 in the same area. If complete, choose an elective.
2. Elective		Choose a science if you have not already completed 3 (must have passed Biology, Chemistry or Physics, and another science). *Write EARLY GRAD if planning to graduate in Dec. State law mandates that students have a full schedule, even if you are graduating early.
3. Elective (see handout)		Choose a World Language (French or Spanish) if you have not already completed this requirement. Choose another elective focus course if waiving world language. *Write EARLY GRAD if planning to graduate in Dec. State law mandates that students have a full schedule, even if you are graduating early.
4. Elective (see handout)		Choose 2 nd Level of your World Language if you have not yet completed. Choose another elective focus course if waiving world language. *Write EARLY GRAD if wanting to graduate in Dec. State law mandates that students have a full schedule, even if you are graduating early.
5. Elective (see handout)		Choose any additional grad requirement you have not already passed. If complete, choose an elective. *Write EARLY GRAD if wanting to graduate in Dec.

Alternate Elective Choices (in order of preference)

Alternates will be used if your first choice electives are not available.

1 st Elective Alternate	
2 nd Elective Alternate	
3 rd Elective Alternate	
4 th Elective Alternate	

Student Directions:

- Elective Focus Areas can be found on the handout you received. The titles are written in **bold** at the top of each box.
- Print the course name clearly, and use only the course name listed on the back of this form.
- Fill in your electives and alternatives **in your order of preference**.
- Alternates must be different than your first choice electives (written in boxes 1-5 above).
- Your form must be complete (**including alternates**) in order to meet with your Counselor. Failure to select courses (including alternates) will result in the counselor selecting electives for you.
- A final course registration form will be sent home for your parents to view and sign. At that time, you will have one more opportunity to make changes. After that deadline, there will be no more changes permitted.
- After school begins in August, no schedule changes will be permitted unless there is an error interfering with a student's graduation plan. So, please be very thoughtful with your selections and mindful of deadlines.

Mentor 2.0. ____ Yes ____ No

Date of Counselor Meeting: _____

I have reviewed my student's course requests worksheet and know that the schedule will be made based on these requests. I know that the schedule will not be changed unless there is an error in scheduling (use of an alternate does not constitute an error).

Parent Signature: _____
