

Join Us to Discuss the Future of Knoxville's Sidewalks!

The City of Knoxville is undertaking a comprehensive study of the City's sidewalk system in order to identify places where new or improved sidewalks or crosswalks are needed.

When & Where

The purpose of the workshop is to introduce the goals and objectives of the study and provide an opportunity for you to identify barriers to pedestrian travel, suggest solutions, and recommend priorities.

The City is hosting **six workshops** over three nights—please attend the public workshop most convenient for you! The workshops will be open house. Arrive when you can and stay as long as you want.
