

Honors Precalculus Summer Assignment 2021

This summer, you will be reviewing topics from Algebra 2 using a website called DeltaMath.

Directions:

- Go to www.deltamath.com
- Create an account (if you have not used deltamath before). Use your school email as your user name.
- After you create your account,
 - Go to “TOOLS”
 - “Manage Login & Teachers”
 - Press the “Add Teacher” button
 - Enter the teacher code 178091
 - Select HPC Summer 2021 from the drop-down menu
- Click the “DeltaMath” symbol in the upper left-hand corner.
- You will see an Assignment, “Honors Precalculus Summer Assignment 2021”. There are different skills listed. You will need to correctly answer the indicated number of problems for each skill. Each skill has a video that you can watch as a reminder of how to do a problem.
- ***You must show your work on notebook paper, and submit on the first full day of class. If you do not show your work, you will receive at most 50% credit for this assignment.***

I am looking forward to seeing you in Honors Precalculus!
