

Mrs. Tonya Stansberry's summer reading assignment for ENG II Honors
School Year 2025-2026

Hello There! Welcome to English II Honors.

I have been teaching English for over 20 years, and I can't wait to share my love of literature with you (and have a little fun along the way), while we enhance our reading, writing, and communication skills.

Your summer reading assignment is pretty simple, but you need to make good choices, as we will be working with this material during the first two weeks of school. You are expected to read an age (and school) appropriate **novel of your choice**, (Over 100 pages) that has a clear and distinct Hero character and a clear and distinct Villain character. On the second day of class, you will be expected to turn in two well-written paragraphs (at least ten sentences each) explaining what makes your character a hero and what makes your other character a villain.

Students should be prepared to complete several smaller assignments and a project on the novel during the first two weeks of the new school year.
