The student should remain with that college throughout all DE courses, including previous courses.

Parents, please initial by each statement. As the parent/guardian of the student named above, I acknowledge that:

- I am aware that my student must meet the minimum GPA AND ACT/SAT/PSAT requirements to enroll in a DE class.
I am aware that my student must maintain a 2.75 college GPA to remain eligible for the Dual Enrollment Grant.
I am aware that my student is responsible for completing the Student Responsibilities Checklist. If the checklist is not completed or if the timeline is not followed, the school counselor will have to drop Dual Enrollment from my course registration and my schedule will be adjusted accordingly.
I am aware that my student is REQUIRED to attend a "DE DAY" held this spring to complete registration—March 9 A-J/March 10 K-P/March 11 Q-Z.
I am aware that it is my student's responsibility to meet deadlines and attend classes as scheduled because the Dual Enrollment instructor always takes attendance and PSCC/Tusculum/LMU have their own attendance policies.
I am aware that background checks for PSCC/Tusculum/LMU employees are performed to PSCC/Tusculum/LMU standards and not to K-12 standards under TCA sec. 49-5-413.
I am aware that if my student requires additional support or accommodations, I need to contact PSCC/Tusculum/LMU directly to arrange those services.
I am aware that my student is responsible for reporting their DE course/grade to the college they plan to attend.
I am aware that if my student withdraws from a Dual Enrollment course, he/she is obligated to let his/her school counselor know immediately and that my student could receive an "F" in the course that will show on their transcript.
I am aware that it is the student's responsibility to purchase the required books or computer programs for his/her DE class (not covered by the Dual Enrollment Grant) and that cost may be non-refundable.
I am aware that all Dual Enrollment courses will be taught off of the Bearden High School campus.
I am aware that transportation to and from their DE course will be the responsibility of myself or my student.
I give permission for my student to arrive to school late or leave the school campus early during the time at which my student's Dual Enrollment course schedule allows him/her to be off the BHS campus.
