

WORK BASED LEARNING

FOR SENIORS & JUNIORS

WHAT IS WBL?

Work-based Learning (WBL) is a proactive approach to bridging the gap between high school and high-demand, high-skill careers in Tennessee. Students build on classroom-based instruction to develop employability skills that prepare them for success in postsecondary education and future careers. Through experiences like internships, apprenticeships, and paid work experience, Seniors and Juniors (16 years or older) may earn high school credit for capstone WBL experiences.

Students will be dismissed at 2:00 p.m. to go to their Elective Focus work based site. Students are required to work a minimum of 7.5 hours per week. For more information go to the School Counseling web site to see if you qualify for this awesome program. Work, get paid, and earn credit. Students may also be involved in non-paid internship programs.
