

WORK BASED LEARNING

FOR SENIORS & JUNIORS

WHAT IS WBL?

Work-based Learning (WBL) is a proactive approach to bridging the gap between high school and high-demand, high-skill careers in Tennessee. Students build on classroom-based instruction to develop employability skills that prepare them for success in postsecondary education and future careers. Through experiences like internships, apprenticeships, and paid work experience, Seniors and Juniors (16 years or older) may earn high school credit for capstone WBL experiences.

Students will be dismissed at 2:00 p.m. (4th Block Class) to go to their **Elective Focus** worksite. Students are required to work a minimum of 7.5 hours per week. Students may work evenings or weekends and still be dismissed at 2:00 p.m. Students will attend 4th block the first week of school and 5 seminars throughout the semester.

For more information go to the BHS Registration Web site (link below-under School Counseling site) to learn more about WBL and to see if you qualify for this awesome program. Work, get paid, and earn a credit! Students may also be involved in non-paid internship programs. Applications are posted on the web site.
