

K.E.S. Beaver Tech Lab 2017-2018

Welcome to the Beaver Tech Lab with Mrs. Kelley Krauss. This is my 8th Year as the Technology Teacher at Karns Elementary. My alma maters include Indiana University (Yes, I am a HUGE Hoosier fan) and Arkansas State University. I am extremely excited about the coming school year and all we are going to learn! Please feel free to contact me with any questions, praises, or concerns.

Wish List

- 30 Mouse Pads
- Clorox Wipes
- White 4 x 6 Index Cards
- Canned Air to clean keyboards and tech equipment.
- Kleenex
- Hand Sanitizer

Beaver Tech Lab Vision

Provide a respectful environment where students are challenged to gain knowledge and confidence in their use of technology to allow them to make wise digital choices throughout their lives.

iExpect in Tech

I expect all students to:

1. Be kind.
2. Show Respect to everyone.
3. Follow the teacher's first request.
4. Open their ears to listen to others.
5. Open their mind and feed it with knowledge.
6. Keep their hands to themselves.
7. Keep their space neat.

Digital Citizenship

Making wise choices online, even when you think no one else is watching or listening.
