

Dear Parents and Students,

Fulton High School would like to invite you to our upcoming Open House and Saturday Sneak Peek events to learn more about our FulCom Magnet Program. Students who are not zoned for Fulton High School can apply to attend Fulton's magnet program which focuses on the field of communications. Elective focus pathways in Audio/Visual Productions involving radio and television, Digital Arts and Design, and Web Design are available to students in the FulCom magnet program as well as many other opportunities to learn about photography and other related fields.

Open House will take place at Fulton on January 30 from 6-8. During this time we will have teachers and current students displaying their work as well as answering any questions for our prospective students and parents. We are located at 2509 N. Broadway St., Knoxville, TN 37917. There will also be a Saturday Sneak Peek event on February 3 for students who pre-register on our webpage or by calling the school to sign up in advance.

Remember, in order to be considered for a magnet transfer to Fulton High School applications must be submitted by February 20 and can be accessed at <https://www.knoxschools.org/choice>. Whether you have already applied or are still deciding on the right school for your student we hope to see you at one of our upcoming events.

Sincerely,

Kori Holland

School Counselor and Magnet Facilitator
