

7th and 8th Grade GMS Woodwind and Percussion

Welcome Back, Band Family!

I'm so happy you are back! Please take a few minutes to go over the following information. The WW/Percussion class meets every other day for 62 minutes in the band room. We will focus on learning techniques for woodwind and percussion, playing fun music and working as a team. If you have any questions, please let me know!

What to bring the first week:

- **Your instrument** – Don't forget reeds, swabs, mouthpieces, sticks, mallets, stick bags
- **A 1" 3-ring binder** (any color) for handouts
- **Pencils!**
- **A Korg CA-2 instrument tuner** or comparable tuner.
- **Sound Innovations, Book 2** for your instrument. We will use this book every day. You **WILL NEED YOUR OWN COPY**. ☺ It's available at Lunsford's, Rush's and Online.

We will get to know each other, play team building games, and dust off our "rusty chops" this first week. Bring a positive attitude and be ready to have fun!
