-Third Grade Teachers

Ms. Fields

This is my 10th year teaching! I taught for 7 years in North Carolina and this is my 3rd year at West Hills.

I have a dog named Henry. I enjoy spending time with him, my family, and friends.

I also enjoy outdoor activities (like gardening hiking, and floating on the lake) traveling, cooking, and baking.

Mrs. Hudson

This is my 9th year teaching at West Hills. I have been married to Mr. Hudson for 21 years and we have two children. Sadie is a student at UT Knoxville and Jonah is in the Navy. We also have three dogs (Rocky, Lola, and Abby) and three cats (Lydia, Lana, and Ashley.) I enjoy going to church, cooking, traveling, photography, art, being outside, and spending time with family and friends.

Ms. McKeehan

This is my 9th year teaching at West Hills and my 23rd year teaching in an elementary school. I have also taught in Florida and NC before returning home to Tennessee. West Hills is very special to me because it is the elementary school that my sister and I attended while growing up on Bennington Drive.

My interest outside the classroom include raising chickens, travel, especially to the Caribbean, going to the lake and floating on my floaty as well as gardening and eating good food.

Spending time with family and friends is important to me and time I cherish dearly.

Mrs. Tuczynski

This is my fourth year teaching at West Hills. I am proud to be apart of this wonderful school and community. I am married to Mr. Tuczynski and we have a spoiled fur baby named Molly. I love to spend time with family and friends, being in the great outdoors, and trying new things.

Mrs. Williams

This is my first year at West Hills and my 13th year with Knox County. I am very excited to join the West Hills community! I have two sons. Jaden is a seventh grader and Cameron will be in kindergarten this year. I have 2 dogs, Fever and Khloee.

I love to read and go hiking with my family. I am very excited about the new schools year!

Mrs. Wiltcher

I have been teaching at West Hills for 12 years, and teaching for 22 years! I am married to Mr. Wiltcher. I consider my classroom my home away from home, and my students my second family.

Some of my hobbies include cooking, sewing, traveling and making jewelry. I love the ocean and medieval European history. I also enjoy photography, editing, and computer graphics. When I am not at school teaching, I teach English to ESL students in China on a virtual platform.
