

# WELCOME TO 4TH GRADE

West Hills Elementary

# WELCOME TO THE PACK!

We are so excited to have you in 4th grade at West Hills Elementary! This is going to be an exciting year full of growth and new learning opportunities. We can't wait to meet all of our new students and look forward to the upcoming school year. We would like to take the time to quickly introduce ourselves to you and your families.

-4th Grade Teachers

# MR. KING

This will be my 11th year teaching at West Hills. I have taught 4 years of kindergarten and this will be my 7th year teaching fourth. I enjoy coming to school everyday and building amazing relationships with my students and having fun while reaching for ambitious goals. When I am not at school I enjoy hanging out with my wife and daughter, who I am proud to say is a West Hills Wolf! Finally, I was born and raised in Buffalo, NY, so needless to say “Let’s go Buffalo!”

# MRS. COLLINS

This will be my sixteenth year teaching, but only my eighth year at West Hills Elementary. Fourth grade is my favorite grade to teach! We get to have so much fun while learning together. When I am not at school or working on school work at home, my favorite thing to do is spend time with my husband and two teenage sons. Our family enjoys traveling and our newest hobby is boating. We have three dogs whom I love like children.

# MRS. TAYLOR

This year I begin my 21st year of teaching. I have taught at West Hills for 20 years. I love teaching 4th grade and being part of the West Hills family. When I am not at school, I enjoy spending time with my family and friends. My husband also teaches in Knox County, and my sons both went through West Hills. I am looking forward to another great year of 4th grade!

# MS. CLARK

This will be my 5th year teaching 4th grade at West Hills! I began my teaching career at West Hills and absolutely love it! It's so fun to be a part of the Wolf Pack! I love engaging with my students in fun and exciting new ways! When I'm not at school, I enjoy playing with my dog Cooper and spending time with my friends and family in Knoxville!

# MS. CASHION

After completing my student teaching in 4th grade at West Hills last school year, this will be my first year teaching! I am so happy to officially be apart of the Wolf Pack and the 4th grade team! I am looking forward to a great school year! When I am not at school, I love spending time with my family and spoiling my Chocolate Lab, Marlee!
