-Kindergarten Teachers

Mrs. Campbell

I have been teaching Kindergarten here at West Hills for 24 years!! My husband and I have 2 grown daughters and a fur baby named Lucy. I love to spend time with my family and friends, and I like to travel!

Ms. Johnson

I love West Hills and I love teaching Kindergarten! I've been a teacher for 15 years. This is my 5th year at West Hills Elementary. I have a daughter at UTC, a son at Bearden High School, and a dog who thinks she is a person. I love spending time with my family, reading, and cooking. Out of all the grades I've taught, kindergarten is my favorite!

Ms. Weaver

I've been teaching kindergarten for 20 years and wouldn't trade it for any other grade! I love to travel and explore new frontiers with my 2 children. I enjoy taking photographs of the world and animals around me.

Ms. Newsom

This year will be my second year teaching at West Hills! I love spending time with my family, friends, and dog, Max!

Mrs. Berry

This will be my 16th year at West Hills and my 26th year teaching. I've been married for 29 years to a former teacher and we have 3 wonderful daughters, Nikki, Maggie and Meggan. Nikki and her husband live in Las Vegas and work for themselves buying and selling text books Meggan works for Vanderbilt Mortgage in Maryville where we live. Maggie and her husband live in Franklin, TN. She is working toward a certification as a personal trainer and nutrition consultant. We live on a farm, so during growing season we stay pretty busy. As a family, we love being outdoors hiking, kayaking, paddle boarding, and gardening.

Mrs. Higgins

This will be my 4th year teaching Kindergarten at West Hills. I have always loved school and have wanted to be a teacher since I was in Kindergarten! Outside of school I love to spend time with Mr. Higgins and our dog Abby. We love to travel, hike, and be by the water!
