TELEPHONE

The telephone number at Carter Middle School is (865) 933-3426. Due to a large number of students at Carter Middle School we ask that parents not ask the office to relay messages to students unless it is an EMERGENCY! Students must have permission to use the telephone. Permission to use the school phone will be made through the supervising teacher. Students using or attempting to use the phone without permission will be subject to disciplinary action. The office telephone should not be used for non-school related matters.

PARENT COMMUNICATION

Carter Middle School teachers will use a variety of methods to keep parents up-to-date on their student's progress (webpages, agenda books, phone calls, e-mail, conferences, etc).

Each teacher will send home a letter at the beginning of the year to inform parents of the method(s) that will be used. You may schedule a parent-teacher conference by contacting the school secretary at (865) 933-3426.

Parent Portal is a service provided to parents so that they may check their student's grades any time via internet access. More information on this valuable tool will also be provided to parents by contacting the school office.

You may call the school office to make arrangements to pick up books and assignments when a student has been absent. Remember to allow 24 hours for teachers to compile work. Students are encouraged to request work when they know in advance that they will be absent.

PTSA

Carter Middle School has an active PTSA. Parents and students are encouraged to join and to participate. Membership forms and announcements of meeting times will be sent home with your child.

VISITATION POLICY

ALL visitors MUST report to the office and obtain a "VISITOR PASS". If a parent/guardian needs to see his/her child during the school day, identification will be required AND the individual must be listed on the student profile.

SPECIAL EDUCATION SERVICES

Knox County Schools provides a continuum of services for students who qualify for special education under the Individuals with Disabilities Education Improvement Act (IDEIA) or Section 504 of the Vocational Rehabilitation Act. If you feel your child might require special services and want Knox County Schools to provide services, contact the school to which your child is zoned or call Pupil Personnel Services at (865) 594-1535. If records are available for review or other information that the school might need in order to provide these services, please sign and return a release of information form. Forms are available at your child's zoned school.

NOTE: Certain laws/regulations pertaining to IDEIA/504 students may affect some Carter Middle School policies/procedures.

FREE OR REDUCED PRICE LUNCH

All information and applications for KCS lunch programs are available on-line through the Knox County Schools website under the tab For Families. Carter Middle School is a CEP school which means all students get a free breakfast and lunch.

FEES

A student fee is requested at the beginning of each school year to pay for supplementary materials in the areas of language arts, mathematics, science, social studies, reading, health, art, technology, P.E., etc.

The school, within limits set by the Board of Education, determines the amount of student fees. Parents and students are informed of the specific amounts at the beginning of each school year.

SALE OF SCHOOL ITEMS

School pictures, yearbooks, etc. are available at appropriate times of the year. The price of these items is determined yearly by the cost of production. Students are not permitted to sell private items at school per school board policy.

ATTENDANCE

The Board recognizes that good attendance at school is basic to student learning. Attendance is a key factor in student achievement; therefore, students are expected to be present each day that school is in session. Parents have both a legal obligation and a moral responsibility to see that children are present every day that school is in session. For these reasons, the Knox County Board of Education has adopted the following policy on student absences. Acceptable (excusable) conditions for students being absent from school include:

1. Personal illness;
2. Illness in family temporarily requiring help from the child;
3. Death in the family;
4. Recognized religious holidays regularly observed by persons of the student's faith;¹
5. Verifiable family emergency

6. For students with a parent or guardian who is deployed as a member of the US Armed Forces, the following excused absences shall apply provided the student furnishes appropriate documentation of the service member's deployment:

An excused absence for one day when the member is deployed, an excused absence when the service member returns from deployment, and excused absences for 10 days for visitation when the member is granted rest and relaxation leave and is stationed out of the country.

In order to be counted present on any and all accounting attendance records, students shall attend school for a time period of three (3) hours and thirty (30) minutes per school day. Students participating in school-sponsored activities whether on or off-campus shall not be counted absent. In order to qualify as "school sponsored," the activity must be school-planned, school-directed, and teacher-supervised.

ABSENCES, TARDIES, & EARLY DISMISSALS

In addition to Knox County Board of Education policy, the following procedures will be in effect at Carter Middle School:

1. All notes regarding absences must be presented to the front office the day the student returns to school. For excused absences, students will be given up to three (3) days to obtain all work, then as many days as they were absent to make up the work, once the work is obtained.

It is the student's responsibility to obtain work and make arrangements with the teacher for timely completion.

2. Students are expected to be on time to school and to all classes each day. Tardies will be recorded as excused or unexcused in the school office. Excused tardies must be due to student illness (a note from parent/guardian must be presented in the office stating circumstances), medical appointment (a note from the doctor must be presented stating circumstances), bus failure, or approval of the principal or assistant principal. A student tardy to school for reasons other than the above will be considered UNEXCUSED!

3. If a student must leave during the school day due to illness or medical appointment, a parent/guardian must come to the school office and sign the student out. For your child's safety and protection, the person checking the student out **MUST** be on the student's profile and identification must be presented. No faxes or phone calls will be accepted for early dismissal or alternative route home. Due to the demands of afternoon dismissal in the classrooms and office, we will be unable to call students for early dismissal after 3:00. A note must be sent the following school day to request make-up work for the student. This note must be given to the front office immediately upon return to school. The State Department of Education requires that a student be in attendance 3 hours and 30 minutes of a school day to be counted as "present" for the day.

STUDENT DRESS CODE

The following expectations for student dress have been established to promote a safe and optimum learning environment. Apparel or appearance which tends to draw attention to an individual rather than to a learning situation must be avoided. In matters of opinion, the judgment of the principal/designee shall prevail.

The following standards will be observed in all Knox County Middle and High Schools:

1. Pants must be worn at the waist. No sagging allowed.
2. Shirts, blouses, and dresses must completely cover the abdomen, back, shoulders, and must have sleeves. Shirts or tops must cover the waistband of pants, shorts, or skirts with no midriff visible. Low-cut blouses, shirts, or tops or extremely tight tops, tube tops, or any top that exposes cleavage are prohibited.
3. Head apparel, except for religious or medical purposes, must not be worn inside the school building.
4. Footwear is required and must be safe and appropriate for indoor and outdoor activity.
5. Clothing and accessories such as backpacks, patches, jewelry, and notebooks must not display (1) racial or ethnic slurs/symbols, (2) gang affiliations, (3) disruptive, vulgar, or sexually suggestive language or images; nor, should they promote products which students may not legally buy; such as alcohol, tobacco, and illegal drugs.
6. Skirts, dresses, and shorts must be beyond mid-thigh length.
7. Sleepwear, pajamas, and/or blankets cannot be worn in school.
8. Prohibited items include (1) large, long, and/or heavy chains, (2) studded or chained accessories, (3) sunglasses, except for health purposes, (4) sleepwear, and (5) skin-tight outer materials without appropriate coverage.

The school administration reserves the right to determine whether the student's attire is within the limits of decency and modesty. The administration should strive for consistency so the dress code is applied evenhandedly to male and female students.

The principal may allow exceptions in special circumstances or occasions such as holidays or special performances and may further prescribe dress in certain classes such as physical education, vocational classes, and science labs.

Any student not attired in accordance with this policy shall be subject to correction of the violation. If a correction cannot be made, the student shall be subject to additional disciplinary measures as described in Policy J-191 "Misbehaviors and Disciplinary Options."¹

This policy does not preclude individual schools from implementing standardized dress policies with permission from the Director of Schools and the Board of Education after extensive consultation with parents, teachers, and students. Any deviation from the system-wide policy must be submitted in writing to the middle and high school directors for review and recommendation to the Director of Schools and the Board of Education.

PERSONAL COMMUNICATIONS DEVICES AND ELECTRONIC DEVICES

Personal Communication Devices (PCD) and personal electronic devices including, but not limited to, cell phones, camera, recorder, CD players, iPods, MP3 players, netbooks, laptops or notebook computers or iPads may be stored in backpacks, purses, or personal carryalls.

However, the use of the devices during class-time is forbidden unless approved for an academic activity by the principal or the principal's designee. This is not intended to discourage the use of these devices for instructional purposes, but to establish parameters and appropriate oversight for their use. Improper use or storage of PCDs and electronic devices may result in confiscation of the device until it can be released directly to a student's parents and/or guardians. A student in violation of this policy is subject to related disciplinary action.

Students may possess PCDs while on school property. The devices may be used before and after school. At all other times, the PCD must be in the off mode. The principal or the principal's designee may grant a student permission to use a PCD during class time for a specific academic purpose or at other times for other purposes that the principal deems appropriate. Students are prohibited from taking unauthorized photographs or making unauthorized recordings of others at school, on school transportation or at school-sponsored events.

WARNING: The taking, disseminating, transferring, or sharing of obscene, pornographic, lewd, or otherwise illegal images or photographs, whether by electronic data transfer or otherwise (commonly called texting, sexting, emailing, etc.) may constitute a CRIME under state and/or federal law. Any person taking, disseminating, transferring, or sharing obscene, pornographic, lewd, or otherwise illegal images or photographs will be reported to law enforcement and/or other appropriate state or federal agencies, which may result in arrest, criminal prosecution, and LIFETIME inclusion on sexual offender registries.

GRADE REPORTING AND GRADING SCALE

All class grades are cumulative, representing all classwork from the beginning of the course to the date of the report. Each successive report is not the average of previous grade reports; rather, it represents the compiled scores of all daily lessons, homework, projects, quizzes, examinations, and other classroom assignments during the entire 22, 45, 67, or 90 days covered by the report. Progress reports and report cards will be distributed within 5 days of the end of the grading period.

Grade Percentage Range

A 93 - 100

B 85 - 92

C 75 - 84

D 70 - 74

BUS CONDUCT AND EXPECTATIONS

Bus transportation is provided for Knox County students who live outside the Parental Responsibility Zones (PRZ) for each school. A map of these zones, as well as a listing of bus stops and pick-up times, is available in the Guidance Office or the Knox County Transportation Office.

Discipline on our school buses is a priority in order to ensure the safety of all children. Bus transportation provided by the Knox County School System is considered to be an extension of the school day. Therefore, just as appropriate behavior is expected in the classroom, it is expected on the bus. Knox County bus rules are posted on each bus; failure to cooperate with the driver may result in the removal of student riding privileges and/or suspension from the bus.

Students who walk to/from school must enter and exit the building through the front lobby. Students are to enter the building immediately upon arrival and go to the designated area. Students will be admitted to the building at 7:30 A.M. and will be released to the front lobby for departure at 3:30 P.M. Walkers are expected to leave the campus immediately upon being released at 3:30 P.M. No loitering, please.

CAR RIDERS

Car rider drop-off and pick-up occur in the back at the Gym entrance. Students are to enter the building immediately upon arrival and go to the designated area. Students will be admitted to the building at 7:30 A.M. and will be released to the Gym exit for departure at 3:30 P.M. Parents should not drop off or pick up students in the bus rider lanes or the staff parking lot. Please be aware that supervision for students awaiting their afternoon ride ends at 4:00 P.M. After 4:00, for safety reasons, students must wait for parents in the front lobby.

EMERGENCIES/DRILLS

Students will exit and re-enter the building moving silently, quickly, and in an orderly fashion along the prearranged route/procedure. Students causing a disruption during a drill will be subject to disciplinary action.

DEADLINES AND RESPONSIBILITY

Individual teachers, teams, and other school officials at Carter Middle School have the authority and responsibility to impose deadlines for submission of work, notes, permission slips, money, etc. Since one of our goals relates to teaching student responsibility, please do not expect school administration or teachers to extend or ignore a deadline.

DAMAGE TO SCHOOL OR BUS PROPERTY

Students who damage school property/equipment or who damage seats, windows, etc., on school buses will be required to pay for the repair or replacement of said property. This financial restitution will be in addition to other disciplinary action taken by the school for the incident. Such disciplinary action may involve suspension from bus service. (Knox County Board Policy)

LIBRARY / MEDIA CENTER

Carter Middle School Library/Media Center offers a collection of books, periodicals, and technology to meet the academic and recreational needs of students. All materials are selected with the student in mind. The library staff is here to assist each student in locating resources for research or a book for recreational reading. Students are welcome to visit the library during school hours, 8:00 A.M. until 3:45 P.M. *All users of the library are expected to return materials on time. Paying for library items that are lost and fines for overdue books is the student's responsibility.*

TECHNOLOGY DEVICE USE (Chromebooks)

- The care of the district technology device is the student's responsibility. Students should not lend their technology device to another person. Each technology device is assigned to an individual student and the responsibility for the care of the technology device rests solely with that student.
- Students should never leave the technology device unattended. When not in a student's possession, the technology device should be in a secure, locked environment (For example, students are strongly encouraged to have locks on their school lockers).
- Students need to charge their technology device each night at home so that it is fully charged when they arrive at school each day.
- Failure to bring the district issued technology device (no personal home device) or other class materials does not release a student from his/her responsibility for classwork. If a student repeatedly fails to bring materials to class, including the technology device, progressive discipline procedures will be followed.
- **The technology device is the property of the Knox County Schools and may be collected and inspected at any time. Students have no right to privacy for any material on a district technology device.**
- Each technology device has a unique serial number and asset tag. Students should not modify or remove the tag. *Students should not write on, draw on, or add stickers or labels directly to the technology device.* No form of tampering will be permitted. Students will be charged for the removal and/or replacement of parts that have been modified. This charge is not covered by the purchased insurance. Students should not use abrasive cleaners on devices.
- **It is the student's responsibility to back up projects and content.** Students may want to purchase a flash drive for this task or plan to store their materials in "the cloud."
- If a student's technology device is not working or is damaged, students should report the problem immediately to the school.
- If a student's technology device is lost or stolen at school, the student should report the loss immediately to the school administration. If a student's technology device is lost or stolen outside of school, parents/guardians should report the loss immediately to the local police and obtain a police report.
- Students are responsible for using the technology device according to school and district policies and procedures.

SCHOOL CHROMEBOOK DISCIPLINE POLICY

2. Second Offense- Contact parent and taken up for the class period.

TECHNOLOGY DEVICE GUIDELINES AND EXPECTATIONS

Care & Maintenance

- ❖ Devices should NEVER be picked up by the lid. Students should close the technology device before it is picked up.
- ❖ Students may purchase from the school or individually a protective case to put on the device.
- ❖ When carrying the device to and from school campus, it is expected that the device will be placed in a backpack, bag, or other carrying case. Be cautious what other items are in the backpack that may bend or crack the device screens. Backpacks should not be tossed or smashed while the device is inside the backpack, as this can cause damage to the device.
- ❖ It is recommended that if students use a backpack, then the technology device should always be placed in the backpack with the port-side facing up to keep pencil lead and other debris from jamming the ports. Remove any USB or other peripherals from the device before carrying it or placing it in the backpack.
- ❖ Technology devices should be kept at room temperature and should NOT be exposed to extremes of hot or cold. Students should **NOT LEAVE their technology device IN AN AUTOMOBILE. Students should not leave their technology device outside.**
- ❖ Liquids and food should not be used/consumed in the vicinity of the technology device.
- ❖ Cleaners, sprays, alcohol, ammonia or abrasives should not be on the technology device. Devices should be cleaned with a soft, lint-free cloth.
- ❖ It is recommended that the device should remain in the protective cover (purchased by student/parent) when not in use. Devices should not be in a place where someone could accidentally sit or step on it.

Technology Device Parent/Guardian Guide

Additional resources can be found at www.common sense media.org

- ❖ Monitor your child's home use of the Internet with the technology device.
- ❖ Provide a place in an open area of your home, such as the kitchen or family room, where the technology device will be used.
- ❖ Use the Internet with your child to help develop safe Internet habits.
- ❖ Frequently ask to see your child's technology device and ask how it is being used.
- ❖ Review with your child the programs installed on the technology device and ask them what each program does.
- ❖ Do not hesitate to contact your school if you have any questions or concerns about the technology device.

REPAIR AND REPLACEMENT GUIDELINES

The following is designed to be a guide and reference for dealing with issues related to student technology device damage with the understanding that the goal is for every student to have an operational device. Typically issues will arise over one of the following: Theft, Non-preventable Damage, Preventable Damage/Negligence, and Willful Damage/Recklessness. The Knox County School District offers device insurance for \$20 per student per year. This can be purchased online, and payment plans are available.

During the time of a review, the student will become a "day user" where they will check out a machine from the help desk each morning and return it before they leave school each day.

Theft

- Administrator will meet with the student and parent/guardian to investigate the theft.
- A police report is required to document a theft.
- After a police report is submitted, the student will be a day user during the time of the investigation. Upon finalizing the report, a student should be issued a new device.

Non-preventable Damage (these are rare, but examples might include, but are not limited to: auto accident, house fire, etc.)

- Administrator will meet with the student to investigate the incident and discuss with the parent/guardian as necessary.
- Upon determination of a verifiable accident, the student will be issued another device.

Preventable Damage/Negligence or Willful Damage/Recklessness

- The parent/guardian and student have accepted responsibility for the technology device and therefore are liable for the cost of the repair or the device replacement (a cost scale available with KCS).
- Administrator will meet with the student to investigate the incident and discuss with the parent/guardian as necessary.
- The student will become a "day user" until the cost of the repair is received.
- The cost of repair will be to the student who caused harm.

The cost of repairs will be assessed for each reported incident. Multiple offenses should be handled appropriately and in consultation with the district office if necessary.

SCHOOL COUNSELING

School counselors are available for group and individual guidance services. Counselors work with academic, personal/social, and career development concerns. Counselors divide caseloads according to the alphabet (France: A-K and Huebotter: L-Z). Students must schedule an appointment to see the counselors and have a pass, unless it is an emergency. Students are to fill out appointment requests and then go back to class to be called.

EXTRA-CURRICULAR ACTIVITIES

Many extracurricular activities are offered at CMS. Student participants are expected to maintain appropriate behavior and satisfactory grades. Participation is also governed by each club or group's constitution and/or by-laws. **Any student who receives an out-of-school suspension will be prohibited from attending an extra-curricular activity (athletic events, concerts, or dance) during that suspension and possibly for the remainder of the current nine weeks. There will be no refunds of any prepaid fees for these events.**

*STUDENTS ABSENT OR SUSPENDED FROM SCHOOL ARE NOT ALLOWED TO ATTEND ANY AFTER SCHOOL FUNCTIONS.

*IF LATE PICKUP IS A PROBLEM, STUDENTS WILL BE PROHIBITED FROM ATTENDING AFTER – SCHOOL EVENTS.

ACTIVITIES EXCLUSION

Many activities are planned each year to enrich the middle school experience for our students. These activities include assemblies, field trips, guest speakers, special television broadcasts, intramural sports, interscholastic basketball, track, cheerleading, spring field days, cookouts, dances, clubs, etc. These activities are considered privileges, and student participation/attendance is based on the demonstrated ability to properly conduct one's self. Exclusion from certain or all activities for some period of time may be imposed by staff or administration on students who fail to conduct themselves appropriately in classes or at previous activities. Please be advised that students serving OSS are automatically excluded from all school activities during that time.

FIELD TRIPS

If a student receives ISS or OSS after a field trip has been announced, that student will not be eligible and will not attend the field trip. Money that has been paid will not be refundable as we have to pay for trips and transportation costs in advance. Field trips are designed to be educational and fun interactive opportunities that are meant to enhance learning. At the same time, these trips are a privilege and we feel that students have to earn that right through good behavior.

PHYSICAL EDUCATION

State law requires that all students are offered the opportunity to participate in physical education. Any request to waive or alter this requirement must be accompanied by a physician's written statement. An one day excuse, signed by a parent/guardian, is accepted on the same basis as absences from school (5 per semester).

Appropriate shoes are encouraged.

BAND AND CHORUS

Band and Chorus are yearlong classes. Due to the content of these classes, they cannot be added at the start of the second semester; however, drops must be made within the first two weeks of the school year. If a student signs up for these classes he/she is expected to remain in the class with all the required equipment for the entire year! Remember that by taking Band or Chorus, a student will reduce the number of other related arts classes available during the school year. An additional fee may be requested for these classes.

DANCE POLICY

The following guidelines apply to all CMS dances:

1. ONLY CARTER MIDDLE SCHOOL STUDENTS in good standing will be admitted. Students who are placed on activities exclusion by the administration for disciplinary and/or academic reasons will not be eligible to attend.
2. Dances shall be held from 3:45 P.M. until 5:30 P.M. unless otherwise approved by the principal. Any parent needing to pick up a student prior to that time must come to the dance entrance and request the student. Parents are not permitted to enter the dance unless approved by the administration.
3. School dress code will be enforced.
4. All school rules and guidelines will apply for behaviors. Students engaged in inappropriate behavior will be asked to call their parents and be picked up immediately. Students may be referred to the principal the next school day for disciplinary action, which may include exclusion from future Carter Middle School extracurricular events.

ATHLETIC TEAMS

Carter Middle School participates in boys' and girls' basketball, track, and cheerleading. While there are other community-sponsored sports, basketball, track, and cheerleading are the only interscholastic teams sponsored by the school system. Students are required to make satisfactory progress in classes (2.0 GPA) and have satisfactory conduct to try-out for and/or participate. No student will be permitted to participate in a game if he/she is absent from school on the day of the activity.

THE SPORTSMAN'S CREED

Our school is characterized by our conduct

We appreciate a good play, regardless of team

We never "boo" or criticize a player, coach or official

We are humble in victory, praiseworthy in defeat

CHARACTER, NOT VICTORY, IS THE MOST IMPORTANT THING!

RECREATION LEAGUE TEAMS

The Carter Community is fortunate to have a thriving, year-round sports program run by the Knox County Recreation Department.

However, please be aware that these teams (soccer, baseball, softball, football, "Jr. Pro", basketball, etc.) ARE IN NO WAY SPONSORED, APPROVED, GOVERNED OR CONTROLLED BY CARTER MIDDLE OR KNOX COUNTY SCHOOLS.

Though many of these teams use the name Carter Middle School, the school or system disclaims any affiliation or responsibility for these teams and/or any problems arising from someone's participation therewith. Any and all concerns regarding these teams should be made to the coaches involved or the Knox County Recreation Department. The only sanctioned sports/events in Knox County middle schools are boys' and girls' basketball, cheerleaders, and boys' and girls' track.

STUDENT EXPECTATIONS

CARTER MIDDLE SCHOOL DISCIPLINARY GUIDELINES

Please note that school administrators are bound by federal, state, and local regulations governing disciplinary matters. These regulations sometimes require that students be treated individually. Also, confidentiality must be protected for all students. If at times it seems that different consequences are applied for similar offenses, please be assured that the school administration is committed to treating all students as fairly as possible, while being responsive to the individual differences of our students when necessary. It is considered a breach of confidentiality for us to discuss a student's discipline with anyone other than his/her parents.

Students are expected to exhibit appropriate behaviors at all times as noted in the CMS Expectations. Students failing to meet expectations will not receive rewards and will have consequences for their behaviors as part of the steps below. Discipline for infractions is cumulative and continuous for the year. Tabulation of infractions towards rewards will restart each 9 weeks. Rewards for positive behaviors will be determined by school staff and celebrated at the grade level and school-wide levels.

When students are disruptive or act inappropriately, school staff and principals are expected to respond logically, appropriately, and consistently to ensure a safe orderly school environment for all students. The KCS Discipline Guidelines describes five levels of behavior, increasing in seriousness from a Level 1 Behavior to a Level 5 Behavior. For example, a dress code violation is a Level 1 Behavior, while bringing a firearm to school is a Level 5 Behavior.

The Discipline Guidelines also includes levels of possible response to inappropriate behavior (Response A through E). Each behavior is assigned to one or more of these levels of response. Principals and school staff should use only the levels suggested for each behavior. Responses and interventions are to be progressive. If a behavior is assigned to two or more levels of response, the lowest level of intervention should generally be used first.

When choosing a higher-level response within the range of possible responses), an administrator should consider:

the student's age, health, disability, decision-making ability and prior discipline history.
 the student's willingness to repair the harm,
 the seriousness of the act,
 the harm caused or the potential to cause, including any injuries, caused,
 the extent of actual disruption to the learning environment, and
 whether the act was intentional

As in the past, each administrator will clearly document the reasons for using the selected response by citing the factors above in the discipline referral. In each case, KCS administrators and staff will ensure consequences applied will minimize the amount of instructional time lost and ensure a safe and orderly learning environment. Suspensions are considered responses of last resort. An administrator is not required to suspend a student unless the behavior is a Level 5, Zero Tolerance Offense.

*Extended Suspension (suspension over 45 days)- Administrators may consider extended suspension when student behavior or culmination of behaviors pose an on-going safety concern to the school, staff, and/or students. Administrators must notify KCS Grade Level Director (GLD) prior to Extended Suspension

Disciplinary Terms and Definitions

Confiscation: Items that are prohibited on school grounds or are a distraction will be labeled as to ownership and turned over to the office. These items may be returned to the student or parents at the Administrator's discretion.
(Note: beepers, cell phones, etc. may be turned over to Knox County Security.)

Hazing: Name-calling, inflammatory or disrespectful remarks, harassment (verbal or physical) is prohibited at all times and is subject to disciplinary consequences.

In-School Suspension (I.S.S.): I.S.S. is a consequence sometimes given for inappropriate behavior. This consequence involves the placement of the student in a special class for at least one-half day with a designated staff member. Students are expected to complete regular academic assignments, participate in some form of school service, and follow the schedule and guidelines outlined by the staff member in charge.

Out of School Suspension (O.S.S.): This is a consequence given for persistent misbehaviors of such a serious nature as to warrant being prohibited from school attendance. Students who receive O.S.S. are subject to the following rules:

- The student is not allowed on campus at any time.
- The student is not allowed to attend any school function, including, but not limited to, athletic events, dances, or school performances.

Long Term Suspension: Any out-of-school suspension that is longer than four consecutive days is considered “long term.” A disciplinary hearing will be held before any long-term suspension has been given.

Initial Hearing/Disciplinary Hearing: When information is received by the Administration indicating that a student has committed a violation that could result in a suspension of more than four days, meetings will be scheduled for the following purposes in the order given below:

Hearing Notification (Includes Administrator and Student + Parent/Guardian)

- To present information concerning the violation.
- To hear the student’s statement or statements of others who may have information relative to the violation.

I.E.P. Team

- To determine if the violation is a manifestation of the Special Ed certification.
- To determine if placement/programming is needed.

Disciplinary Hearing (For Special Ed. if not manifestation and all regular Ed.)

- To determine guilt or innocence.
- To determine the appropriate consequences for the violation.

Search and Seizure: According to the Knox County Board Policy Handbook (JCAB), school lockers, backpacks, pocketbooks, etc. are subject to search. (Guidelines concerning such searches are outlined in the Knox County Policy Handbook available in the school office.) Parents will be contacted after the student is searched.

Zero Tolerance Policy

In order to ensure a safe and secure learning environment free of drugs, violence and dangerous weapons, any student who engages in the following behaviors shall be removed from the base school for a period of not less than one (1) calendar year.¹ The Director of Schools has the authority to modify this suspension requirement on a case-by-case basis. Zero tolerance acts are as follows: Any student who while on a school bus, on school property or while attending any school event or activity:

- a. unlawfully possesses a legend drug or any other controlled substance;
- b. knowingly possesses a firearm as defined in 18 U.S.C. § 921;
- c. commits aggravated assault on a teacher, a School Resource Officer (SRO), an officer of the law assigned to patrol a Knox County School property or other employee of the school system.
- d. Possession of explosive or incendiary device

It is the Board’s intent that the Director of Schools exercise his power to modify and ensure that no student shall be out of school for more than two semesters for a zero-tolerance offense. The Director of Schools shall consider each zero-tolerance case for placement in the alternative school program. Reference KCS Board Policy J-194 - Zero Tolerance Offenses.

Restricted Areas

Students are not allowed in the following areas:

- Parking lots during school hours without administrative permission.
- Rooms or areas designated “Staff Only.”
- Any unsupervised area during classes w/o permission.
- In the building after 4:00 without staff supervision for a school activity.

Harassment, Intimidation, and Bullying or Cyber-Bullying

Knox County Schools prohibits acts of harassment, intimidation, bullying and cyber-bullying.^{1,2} Harassment, intimidation, or bullying is conduct that disrupts both a student’s ability to learn and a school’s ability to educate students in a safe and orderly environment. All Knox County School’s staff is responsible for ensuring this is faithfully implemented in all areas under their purview or direct supervision.

“Cyber-bullying” means bullying undertaken through the use of electronic devices;

“Harassment, intimidation, or bullying” means any act that substantially interferes with a student’s educational benefits, opportunities

- Physically harming a child or damaging a student's property;
- Knowingly placing a student or students in reasonable fear of physical harm to the student or damage to the student's property;
- Causing emotional distress to a student or students; or
- Creating a hostile educational environment; or

If the act takes place off school property or outside of a school-sponsored activity, it is directed specifically at a student or students and has the effect of creating a hostile educational environment or otherwise creating a substantial disruption to the education environment or learning process.

Students who feel they are being harassed, bullied or intimidated may report this concern to any teacher or school administrator or the office of the Superintendent using any means of communication with which they feel comfortable. Consequences and appropriate remedial action for students who commit acts of harassment, intimidation or bullying may range from behavioral interventions up to and including suspension or expulsion. The appropriate action will be consistent with established Board Policy, case law, Federal and State statutes.

It is the intent of the Board to promote mutual respect, civility, and orderly conduct among district employees, parents, and the general public. This policy provides rules of conduct that both permit and encourage participation in school activities and communication between parents, community members, and school district personnel. This policy also identifies those behaviors that are considered inappropriate and disruptive to the operation of a school or other school district facilities. It is not the intent of the Board to deprive any person of his or her right to freedom of expression.

RESPONSE TO UNCIVIL BEHAVIOR

The Board does not condone a lack of civility by anyone, and recognizes the following appropriate administrative avenues for aggrieved parties to seek action or redress.

1. A student who believes that he or she has not been treated in a manner reflective of the Code of Civility should report such behavior to the appropriate building level administrator.
