Student's Name, Grade and Homeroom _____

Cost: \$7 per adult/ \$5 per student _____ **Total \$ enclosed.**

Students are encouraged to join!

Why join? Believe it or not, schools aren't totally funded by tax dollars. Things like AEDs, picnic tables, decorations, landscaping, many educational activities etc. are not included in the budget. It is people like you, who support the PTSA and its activities, who make your child's memories of Carter Middle truly remarkable!

Please also support the local businesses who support us. They also see the benefit of making Carter Middle School the best it can be for our children.

You will see those businesses hanging in banners around the school and football field.

You may pay by cash or check (made out to Carter Middle PTSA) and your student may bring the payment to the office during homeroom. Thanks!
