 - Specific List for Your Pod
- Aspen for Student Schedule

Farragut Middle School PTO

Great support for FMS

- Building Improvements
- Faculty Support and Student Support
- Input for FMS Future
- Parent involvement

**FMS
TIPS FOR
SUCCESS**

#1

Avoid/Delay getting your student a smartphone. It will make their MS life so much easier. If you do, invest in monitoring software.

#2

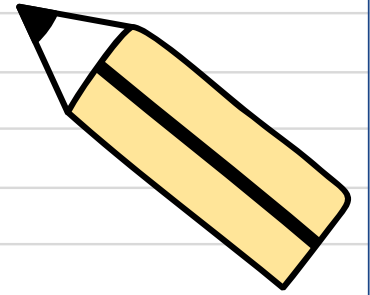

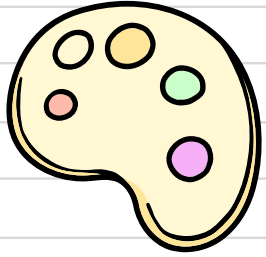

Beware of what you hear “in the community” or on social media. If something seems unbelievable then it probably is. Call or email us anytime.

#3

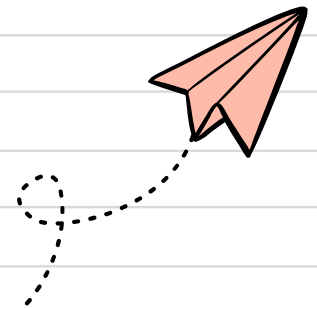

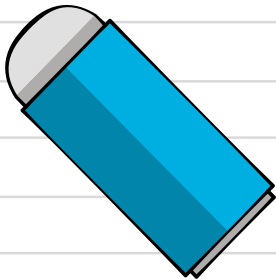

Productive Struggle!
Students build perseverance through trial-and-error. FMS team will also help students figure it out.

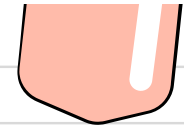

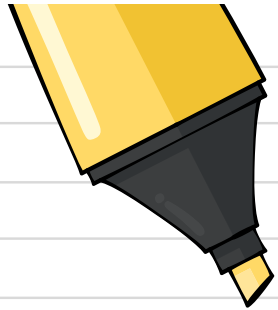

#4

Self-advocate!
Express your emotion appropriately. Ask for help. Report unusual behavior/activity to an staff member. Use your voice and articulate your words.

QUESTIONS?
