

Advanced Art Class

What is Advanced Art?

Advanced Art is a class designed for any student who desires a more in-depth study of visual art. Advanced Art students should be excited to learn about different kinds of art and eager to try new techniques. Coursework for Advanced Art is more rigorous, with high expectations for effort and dedication. Advanced Art gives students the opportunity to work with specialized art materials, visit art museums and galleries, and exhibit their own work in several highly recognized student art shows. Students who request Advanced Art should expect to complete drawing, painting, printmaking, sculpture, and mixed media projects. **There will be some homework for this class.**

Course Requirements:

- 5th Grade Art Teacher recommendation
- Willingness to learn and work hard
- Desire to improve art skills – especially drawing
- Cooperative behavior and ability to listen to directions
- Organization skills

Angie McCarter teaches Advanced Art at FMS.

Advanced Art is a semester-long class (18 weeks). Please contact your 5th grade art teacher and request a recommendation be sent to FMS art teacher Angie McCarter (angela.mccarter@knoxschools.org) in order to be considered for 6th Grade Advanced Art. 5th grade art teachers will evaluate students based on enthusiasm, effort, and appropriate behavior habits.

Class size is limited and the teacher will reserve open spots based on teacher recommendations. Students must maintain good behavior and a “B” average in order to stay in Advanced Art.
