- Complete the agreement of completion of Virtual Learning Orientation

- A device agreement must be completed (**REQUIRED**) : Registration Forms

- You may sign up for device insurance (**Optional**) : Insurance Forms

- *Everyone will have temperature checked and must wear a mask for duration of the deployment.*

How Will It Work?

- Please park in the parking lots at the front of the school.

- Please walk up the main concrete entrance and you will be directed towards the cafeteria.

  o *We are asking that only **one** parent/guardian accompany a child for deployment. This will help us maintain social distancing and limit the number of people in the school building.*

- Once deployment is complete, participants will exit a separate cafeteria door away from others.
